Australian Mathematics Competition

AMC will be held on Thursday 30 July 2020

Australian entries close: 16 July (paper), 23 July (online)

The AMC is an engaging 30-problem competition that demonstrates the importance and relevance of mathematics in students' everyday lives; it is open to students in years 3 to 12.

Australia's leading educators and academics, with a deep understanding of our national curriculum standards, actively design the unique AMC problems each year.

The AMC is run by teachers in schools. We offer ongoing support and resources prior to and on the day of the competition.

Held in term 3, the AMC has five divisions: Middle Primary (years 3–4), Upper Primary (years 5–6), Junior (years 7–8), Intermediate (years 9–10) and Senior (years 11–12). The AMC is available in both printed and online format, it doesn't matter where your school is located. And, of course, there are special arrangements for visually impaired students and distance education organisations.

Study Medicine Resource – Put Your Time to Good Use and Research Best Options to Get Into Medicine

Getting into medicine is all about strategy. It starts with understanding all the possible medicine degrees you can apply for. Do you know the undergrad degrees that lead to medicine; the application processes each university uses and the ones that give you the greatest chance of being accepted?

<https://www.studymedicine.com.au/>

STEM – Undergraduate Careers Advice

There's so much pressure to choose your career straight out of high school – how do you know if you've gotten it right? We've compiled some essential tips on how to choose an undergraduate degree when you're just not sure, that should ease even the most worried mind. Read more:

<https://careerswithstem.com/undergraduate-degree-advice/>

Nursing Scholarships in Australia

Choosing to study a university degree can be one of, if not the most significant financial investment you will make. It will often determine who you will be, and the career pathway you will take. Making this decision is hard enough, than having to worry about how you will finance your nursing education. The government offers a number of ways for you to support your studies, the most common of which is a student loan. However, accumulating a massive debt, doesn't need to be the only option. Numerous institutions from around Australia offer a range of different nursing scholarships that can help you pay your tuition fees.

<http://nursingcourses.net.au/nursing-scholarships/>

UNSW Study Medicine in Wagga

From 2021, students can undertake their undergraduate Medicine degree from the Wagga Wagga Campus. Visit the [UNSW's website](#) from April 2020 for more information on campus selection.

Your Free Guide to Making Your Nursing Career

Nurses can have a massive and lasting impact in the lives of those they treat. Registered nurse Laurie Bickhoff expands on that beautifully here. The scope of what people are doing with a nursing degree is expanding, and Australian College of Nursing CEO Debra Thoms speaks about nurse leadership from the ward to the boardroom.

Western Sydney University - Speech Pathology - New

WSU's new Speech Pathology degree combines evidence-based studies in speech pathology with a broad understanding of biomedical and health science, linguistics and psychology. This will help students develop the professional competencies essential for ethical and safe practice, high-quality care and the skills to work in multidisciplinary teams. The final two years of the degree focus on the development of advanced knowledge in speech pathology and clinical practice, which are used during clinical placements to treat patients in the community.

Western Sydney University - Discover Science – New Degree – A major for nearly every interest

Science options have expanded at Western. Students can enrol in one of the following 15 majors in our Bachelor of Science degree: Animal Science; Applied Physics; Biology; Chemistry; Data Science; Ecology; Environmental Futures; Environmental Health; Forensic Biology, Forensic Chemistry; Forensic Science; Mathematics; Microbiology; Nutrition and Food Science; or Zoology.

UTS Law First Year Peer Mentoring Program

Run in conjunction with the UTS Law Students' Society, this program is tailored to ease your transition into UTS Law. It provides a great medium for you to connect with your peers and senior law students, as well as an opportunity to develop your legal study skills.

Each mentor group is led by senior year UTS Law students who volunteer their time to share their experiences and offer helpful advice to new students settling into the study of law. All mentors receive training provided by the Faculty of Law. Mentors work in pairs and run hour-long sessions over the first six weeks of each session.

This program is available to all first year undergraduate and Juris Doctor students, including part-time and international students.

<https://www.uts.edu.au/current-students/current-students-information-faculty-law/student-support-and-mentoring>

UNSW Law LAT - Eligibility for remote access extended to regional NSW
