News from Monash University

➤ **Bachelor of Speech Pathology (Honours)**

The new Bachelor of Speech Pathology (Honours) at Monash University addresses a significant gap in the market for qualified speech pathologists. This course is designed to equip students with the skills and knowledge necessary to help with communication and treat eating and drinking disorders.

Students will learn alongside other allied health students at the Monash Peninsula Campus who are studying physiotherapy, occupational therapy, and more. This interdisciplinary approach fosters a collaborative learning environment, preparing students for real-world healthcare settings.

The VCE prerequisite subjects are Units 3 and 4: a study score of at least 35 in English (EAL) or 30 in English other than EAL, and Units 3 and 4: a study score of at least 25 in one of Biology, Chemistry, Mathematical Methods (any) or Specialist Mathematics, Physics, Health and Human Development, or Physical Education.

Students are encouraged to browse [Bachelor of Speech Pathology](#) to find out more.

➤ **Key Medicine Dates for 2027 Entry**

Year 12 students are reminded that the selection process for direct entry into medicine at Clayton consists of three equally weighted components:

- [ATAR](#), including adjustment factors, e.g. Special Entry Access Scheme (SEAS);
- [UCAT ANZ](#) (University Clinical Aptitude Test for Australia and New Zealand) total score; and,
- Multiple Mini Interview (MMI) performance.

On Friday, 2 October 2026 all VTAC applicants will receive an email from the Faculty outlining the application process and instructions to apply for the Dean's Rural List (DRL).

This will be sent to the email used in the VTAC application. Should students not have received an email by 5pm, they are advised to check their spam/junk folder before contacting Monash.

Applications for the DRL will close at 12pm (midday) Friday, 9 October 2026 (Melbourne local time).

There will be a number of rounds of interviews.

1. First round interviews for the [Dean's Rural List \(DRL\)](#)

Open to any student who qualifies for the DRL.

Selection for interview is based on **UCAT ANZ total score** only.

Interviews will be held on Zoom on **Tuesday 1 & Wednesday 2 December 2026**.

Invitations will be released on the afternoon of Monday 12 October 2026. As a guide, see previous cut-off UCAT scores [here](#).

- 2. First round interviews for Victorian-based students who are not on the DRL**
Selection for an interview will be based on **UCAT ANZ total score** only.
Interviews will be held on Zoom on **Tuesday 8 & Wednesday 9 December 2026**.
Invitations will be released on Wednesday 14 October 2026. As a guide, see previous cut-off UCAT scores [here](#).
- 3. Second round interviews for Victorian students, and any student, regardless of location, who qualifies for the Dean's Rural List (DRL).**
Selection for interview is **based on an equally weighted combination of ATAR aggregate (including adjustment factors) and UCAT ANZ total score**.
Interviews will be held on Zoom on **Monday 4 & Tuesday 5 January 2027**.
Invitations will be released on Monday 21 December 2026.
- 4. Third round interviews for Interstate Year 12 students only**
Selection for interview will be based on **based on an equally weighted combination of ATAR aggregate (including adjustment factors) and UCAT ANZ total score**.
Interviews will be held on Zoom on **Monday 18 January & Tuesday 19 January 2027**.
Invitations will be released on Friday 15 January 2027.

Students are advised to regularly visit [Key Medicine Dates for 2027 Entry](#) for current information as these dates are subject to change.

New courses on offer from 2026

Chisholm Institute has introduced two *new* courses in 2026:

1. Certificate III in Health Services Assistance

Stepping into the role of a health services assistant is your introduction to the fast paced, rewarding world of healthcare. Whether you're exploring a future career in healthcare or looking for a structured, supportive entry point into the field, this course gives you a strong foundation. You gain practical experience, professional guidance, and the confidence to grow within a real clinical environment.

Throughout this 1-year course, students will learn what it is like to be part of a clinical team and gain firsthand insight into how hospitals and health services operate day to day. Students will work alongside nurses, allied health professionals, and other care staff, contributing to safe, efficient, and person-centred care.

Students will develop the skills to support a wide range of essential tasks—*transporting patients, maintaining clinical spaces, preparing equipment, and providing practical assistance to health professionals*. Everything they learn will help ensure that patients receive timely, coordinated care and that the broader team can perform their roles effectively.

2. Bachelor of Information Technology (Cyber Security)

Make your impact and protect the future of our digital world! Cybercrime is one of the fastest-growing threats to businesses, governments and individuals worldwide. The demand for skilled cyber security experts has never been higher, and you could be one of them, making a real difference in keeping organisations safe and secure.

The Bachelor of Information Technology (Cyber Security) prepares students to protect critical systems from cyber-attacks and safeguard sensitive information. Students gain the skills to detect and stop threats, manage network security, test for weaknesses and protect data.

Learning is hands-on, with access to modern labs, real-world cyber security scenarios and the latest tools. Students will be guided by industry experts every step of the way. Students graduate the course ready to design and implement advanced security strategies, lead cyber defence teams and bring the strategic mindset employers are looking for.

Commerce Degrees in Victoria in 2026

Students will note that in many cases the majors offered in commerce degrees are similar to those offered in business degrees. Often a particular difference between a business degree and a commerce degree is the VCE maths prerequisite entry requirement, where Maths Methods is the preferred maths, and not necessarily the majors on offer.

Universities in Western Australia

There are *five* universities in Western Australia, one of which – the *University of Western Australia* – is a member of the [Group of Eight](#) universities.

1. Curtin University

Curtin University is a large multi-cultural university. It has a strong commitment to international engagement with Australia's third largest international student population. It maintains campuses in Malaysia and Singapore while also conducting face-to-face teaching in a number of countries. This cultural diversity adds a rich and valuable dimension to its campus atmosphere and also prepares the graduates to live and work in an increasingly global environment.

Curtin is also fundamentally committed to providing regional education within Western Australia through a number of campuses and education centres spread across the state but also has a campus in Sydney where it offers a range of business courses. Curtin University recently introduced undergraduate medicine.
