Letter to Year 6 Students and Parents/Carers inviting application for the 2024-25 Northern Bay College Year 7&8 Scholarship

Dear Parent / Carer and Year 6 student

I would like to invite students to apply for a Northern Bay College Scholarship in one of four areas of excellence:

- **Academic** includes all core curriculum of English, Maths, Languages Other than English, Humanities, as well as other learning experiences ([LINK](#) to online application)
- **Sport, Physical Education and Health**, includes interschool and community sport, PE and health areas ([LINK](#) to online application)
- **Sciences and Technologies** including Science, STEM, digital technologies and Technologies such as Wood, Food, Materials and Textiles, Robotics, Mechanical, etc. ([LINK](#) to online application)
- **The Arts** including Music, Dance, Dramatic Arts, Visual Arts, Media, Graphics, etc ([LINK](#) to online application)

Students can apply for one or more of these areas.

Step 1...Written Application:

The application is an easy-to-use online form that aims to allow the student to write a mini “resume” describing their achievements, skill levels and their aspirations.

The **LINK** to each of the FOUR scholarship areas are provided above.

Parents are encouraged to support the application, but the application should be the student’s own work.

The Scholarship Panel will use the Written application, School reports and Endorsements to shortlist students who will be asked to progress to the next step. This model will mirror real life application processes.

Students not identified to progress through to the next step will be notified by letter.

Step 2...Interview with the Scholarship Panel:

Students shortlisted after the Written Application, will be invited to attend an interview which will take up to twenty minutes.

Each shortlisted student will be provided with a letter explaining when and where the interview will be held. The letter will also outline what to bring to the interview.

Step 3...Being selected as scholarship recipient

Following the interview, the Scholarship Panel will determine the successful students for each Scholarship Area.

All applicants, successful and unsuccessful, will be notified by letter of the outcome of their scholarship application.

Where a student may have applied for more than one scholarship area, they will be notified of the outcome and asked to select their preferred area.

Step 4...Attending a celebration Morning Tea to be presented with your Scholarship

Students chosen to be a 2024-25 NBC Year 7&8 Scholarship recipient will be invited to join parents/carers and staff at a Morning Tea to celebrate the presentation of their scholarship and meet the other members of this special group

Year 7&8 Scholarship Outcome

Dear **NAME OF STUDENT**

I would like to congratulate you for being successfully awarded with a Northern Bay College **Year 7&8 INCLUDE NAME OF SCHOLARSHIP** for 2024-25.

The process of having to provide a written application and then present at interview was very thorough and you should be very proud of being selected.

You will join a scholarship group of thirty NBC students from across all four junior campuses studying in Year 7 in 2024. This Scholarship group is made up from students who will be focusing within one of our four scholarship pillars:

- Academic
- Science and Technologies
- Sport, Physical Education and Health
- The Arts

During Term 4, I will meet with you and your family to identify some of the key supports and programs that you will be able to access as a scholar in 2024 and 2025. One of the aims of the Scholarship is to ensure that there are no obstacles to your successful continuation as a high achieving student at Northern Bay College. Some high-level learning opportunities will involve the entire scholarship group, whilst others may target a specific scholarship pillar or small group of individuals.

Early in Term 4, our College Principal Mr Scott Diamond, along with your campus leadership and teachers and our NBC Challenge Committee who support the funding of these scholarships, would like to celebrate your success. We will be inviting you and your family to attend a presentation morning tea at the Geelong Industry Trade Training Centre. We will send a formal invite for this event next week, which will provide a time and date.

Again, congratulations on being a successful applicant for a 2024-25 Scholarship. If you have any questions, please feel free to email or call me using the details below:
