THE NEW WAY TO DO UNI

WHAT IS VU GUARANTEED?

VU Guaranteed offers Year 11 and 12 students from key partnership schools a guaranteed place at Victoria University (VU) or Victoria University Polytechnic (VU Polytechnic), prior to completing Year 12.

VU Guaranteed exists to ensure that, if you're willing and motivated to study, you can gain guaranteed access to a course that will help take you to your chosen career path.

THE BENEFITS TO YOU

LESS STRESS AND MORE SUCCESS

VU Guaranteed is designed to make your final school years less stressful and maximise your chances of success in Year 12, at uni and beyond.

Imagine the relief of being able to complete Year 11 and 12, knowing that you already have a guaranteed place at a world-class institution. Within a week of receiving your application, we will confirm your guaranteed place with us so you can do just that.

TAILORED ADVICE AND EXCLUSIVE OPPORTUNITIES

Gain access to personalised study advice from VU course advisers. We'll contact you in the lead up to Year 12 exams, and after results are released to offer you tailored advice on all the best study options for you.

If you are in Year 11 in 2020, you will be offered a guaranteed place at VU or VU Polytechnic for 2022. During 2020 and 2021 you'll unlock exclusive VU Guaranteed events and opportunities to enhance your studies and ease your transition to uni life.

SCHOLARSHIPS TO SUPPORT YOU

Your VU Guaranteed application includes an automatic submission for a scholarship to VU or VU Polytechnic.

Two successful Year 12 VU Guaranteed applicants from each partner school will be awarded a \$2000 Thrive scholarship.

One successful VU Guaranteed Year 11 applicant from each partner school will be awarded a \$500 Thrive grant to help set them up for success during Year 12.

These scholarships are designed to support you in your studies, and can alleviate expenses like technology, software, text books and public transport costs. Find out terms and conditions, and partner schools on the VU Guaranteed web page.

5 BONUS AGGREGATE ATAR POINTS

As a VU Guaranteed student, you'll receive an additional 5 aggregate ATAR points towards your Selection Rank for courses that consider the ATAR as part of the selection process.

These extra points are part of the maximum adjustment points allowed (20 ATAR points overall) including eligible Special Entry Access Scheme (SEAS), subject adjustments and other ATAR adjustment schemes. Please note: Bachelor of Education (P-12) and Bachelor of Paramedicine are excluded from this bonus.

AM I ELIGIBLE?

All Year 11 and Year 12 students from partner schools are eligible to make an application.

Receiving an offer for your desired course depends upon you completing Year 12 and meeting the admission criteria for the course.

The final place you are offered with us will be based upon your VTAC application, any direct course applications and meeting the admission criteria for the course. If you don't meet the admission criteria for your selected course, you will be mapped into an alternative course, so you're still guaranteed a place that helps you find a pathway to your career goals.

HOW TO APPLY

Applications are open now and close for both Year 11 and 12 students on Friday 9th of October.

To apply, submit your application online at vu.edu.au/vu-guaranteed

As part of your application, you will be asked to tell us a little about yourself. Year 12s have four questions, while Year 11s have three questions to answer.

Allow yourself 15-20 minutes to consider your responses. Themes include why you want to study at VU, how you contribute to your community, family or school, and how your scholarship would set you up for success, should you receive one. Successful answers can be found on the VU Guaranteed web page to help guide your responses.
