Five free & really cool activities to do from home!

Treasure Hunt with Geocaching. This modern treasure hunt uses GPS to locate a set of coordinates and try to find the cache (aka treasure) hidden at that location (find out more at www.geocaching.com).

Travel the world without leaving home. Learn about other countries (using Wikipedia) and make their traditional meals (with help from the kids) for dinner.

Pitch a tent in the backyard and roast hot dogs and marshmallows if you have a fire pit (or on the grill)

Build ice castles. Freeze water in plastic containers of various sizes then let the kids take the ice blocks outside and create castles with them.

Play in rain. The kids will love the chance to do something that's taboo.
