Melton West Primary School is situated in the outer metropolitan area of western Melbourne. The geographic area is part of a growing region, however the catchment area for this school has been relatively stable over the past 3 years, resulting in a steady enrolment of approximately students.

- Our school's workforce composition is made up of approximately 63 EFT staff, which includes 2.6 Principal Class, 30 teachers and 30 Education Support staff.

We continue to have a high transient population, with a significant number of students transferring in and out of the school throughout the year.
- Our continual focus is on improving student outcomes through high expectations for all, with a focus on results, and particularly the growth gains for all students. All staff collaborate with the leadership team to achieve student outcomes across all areas. We work to ensure the curriculum is engaging and that a consistent approach to implementing the school's instructional model occurs throughout the school.
