

2016 International Competitions and Assessments for Schools (ICAS)

The aims of the competitions are to monitor individual progress, recognise and reveal achievement and provide a comprehensive analysis of student performance.. These competitions allow an opportunity for students to gain a measure of their own achievement in an external situation.

All entries and payment will need to be returned to the office ***no later than Wednesday, 30th March 2016***. These items are available for payment on the Qkr app. Contact the office for further information if you do not yet have access and are interested in paying this way.
