Program Information

The July holidays are fast approaching, beginning on Monday 3rd July and continuing for 3 weeks until Friday 21st July. SPLASH will provide a full program of fun and engaging events including excursions, incursion, and in-house activities.

As an Australian Government funded childcare service, we are required to allocate places to those families with the greatest need for childcare support. Priority of Access is as stipulated in the Australian Government Child Care Service Handbook section 6.3. SPLASH is required to follow Priority of Access guidelines when allocating places for childcare. This involves, when necessary, giving 14 days' notice requesting a child of lesser priority to vacate their place in childcare for a child in a higher priority situation. Further information regarding Priority of Access can be found at <https://www.education.gov.au/priority-filling-child-care-places>.

Please book early to secure your place in the program.
