Indigenous Employment Programs

Joining CommBank means you'll be part of a community. That's because our culture is all about creating a place where you can be you.

We're passionate about providing meaningful careers to Aboriginal and Torres Strait Islander peoples across the country. Through our Indigenous Employment Programs, we hope to help build strong, independent communities while also ensuring that our business reflects the diversity of the communities we serve.

School Based Traineeships

Our School Based Traineeship Program is designed for Aboriginal and Torres Strait Islander students in Year 11 and 12. The program gives students a taster of a career in the financial services industry and also allows us to find and promote the best and brightest young talent. Along with vital on-the-job experience, the program gives students the opportunity to gain valuable skills and confidence.

Full-Time/ Part-Time Traineeships

Our Full-Time Traineeship Program offers adult Aboriginal and Torres Strait Islander job seekers with the opportunity to develop into a role over 12–18 months. Participants receive training and support to build their skills and confidence, with the aim that they can be offered a permanent position once they complete the traineeship.

University Internships

We provide Aboriginal and Torres Strait Islander university students with an opportunity to gain first-hand experience aligned to their degree, plus a pathway onto CommBank's Graduate Program.
