## Tennis – Around the Grounds

---

Fortunately, the sky brightened up for Saturday's first official competitive tennis match against Saint Laurence's College. Our Year 5 team asserted their dominance early on with 8 – 0 wins for both our A and B Teams. Special mention must go to Cooper Chaseling, Isaac Nicholson, Brasco Forest and Frankie Hain who managed to keep their opposition scoreless during their singles events.

Our Year 6A Team were up against strong opposition on the day. It was a nail-biting competition that resulted in a tie-breaker. Eventually, we had to go by the number of sets to determine an overall winner. In the end, St Laurence's won by a margin of only two games. Special mention must go to Jack Lambley and Ryan Heisel for their singles victories. Ryan in particular managed to secure a win after fighting from behind to secure a 7 – 5 victory. Particularly impressive in this division, were the epic rallies from all the boys that almost rivalled Nadal and Federer.

Our 6B Team met an opposition that were down on players due to sickness. As a result, St Laurence's managed to scramble together a team from different divisions, allowing our boys to play. Whilst our boys were definitely challenged by their opposition, the fact that players from the opposing team were playing out of division, led to their overall forfeit and a victory to our 6 B team 8 – 0. Special mention to Charlie Kelly and Matthew Campbell who were both able to secure wins in their singles events.

Overall, the Primary tennis teams ended their matches with much to be proud of. We look forward to seeing what next week's competition has in store.
