Prayer | Study | Community | Service

The traffic environment around schools is one of the most complex road transport environments encountered by the majority of motorists, and easily the most complex traffic environment encountered by children.

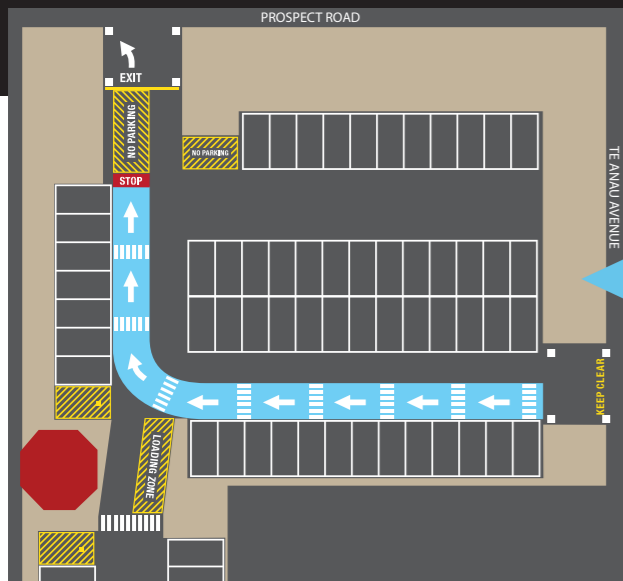

Improved procedures are designed to ensure the safety and welfare of all students and members of the community.

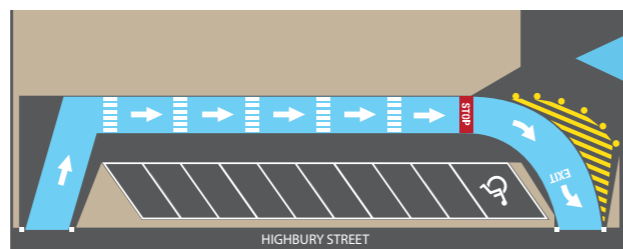

say hello to the new...

**KISS AND DROP ZONE**

Prospect Road Carpark

Highbury Street Carpark

**KISS AND DROP ZONE**

PROSPECT ROAD & HIGHBURY STREET CARPARKS

**Traffic Management Plan**

for Parents and Caregivers

## Our Objective

Drop-off and pick-up problems have been addressed with the following measures.

- » Improvement to the road safety environment.
- » Improved directional signage and line marking.
- » Organised grouping of children waiting to be picked up.
- » Targeted release of children whose vehicle has arrived.
- » Changing driver attitudes and continuous traffic flow.
- » Create awareness of safety issues and consider others.

**2 MINUTES**

## Help keep our students safe with the Stay Safe Rangers

Our Primary School students will provide assistance at the Highbury Street Kiss and Drop Zone.

Here's how it works...

- » **Stay Safe Rangers** and staff will be on duty at Highbury Street from 3.05pm.
- » For easy identification, **Stay Safe Rangers** and staff members will wear hi visibility vests.
- » This is strictly a **2 minute Kiss and Drop Zone**.
- » Staff members on duty can communicate with parents/carers in order to locate students quickly and safely.
- » Students will only be permitted to board a vehicle if it is parked in the **Kiss and Drop Zone**, and will be directed by either a staff member on duty or a **Stay Safe Ranger**.

If you wish to walk your children into school, it will be necessary to park in the appropriate parking areas, or in the surrounding streets.

## New and Improved Directional Signage

Students moving to vehicles is a particularly serious safety concern, so to address this we have introduced a plan that will improve current traffic congestion.

Here's how it works...

- » Both Highbury Street and Prospect Road carpark **Kiss and Drop Zones** will be in operation from **8am to 9am** and **3pm to 4pm**, Monday to Friday.
- » Always drop-off or pick-up students from the designated **Kiss and Drop Zone** and follow our school's directional signage procedures.
- » There will be absolutely **NO Parking** in the **Kiss and Drop Zone** and all drivers are to remain in their vehicles. This is a **2 MINUTE** Zone.
- » We ask that parents/carers do not exit their vehicles as this can slow down the traffic flow causing flow-on delays for other motorists and students.
- » All students are to remain on the footpath and can **NOT** attempt to enter the road environment.
- » Parents/carers are **NOT** permitted to enter the **Kiss and Drop Zone** unless in your vehicle.

**LET'S WORK TOGETHER**
