MESSAGE FROM THE COORDINATOR

Dear Parents/Guardians,
I hope your past two weeks have been a blast and you are staying nice and warm indoors.

OSHClub has so many exciting things happening in the next few weeks!

On Monday we have our big launch day, for a new Adventure in the big purple box.

ZEN MASTERS.....From yoga to random acts of kindness we will practice skills and exercises to promote happiness, mindfulness and wellbeing that balances the mind and body.

We are commencing FUN FRIDAYS, this will kick start on the 27th. Get ready for our very first FIESTA FRIDAY. Each Friday will have a fun theme to engage more children and to kick start their weekend in a positive mind set. Be sure to book your children in EVERY FRIDAY.

The poster is attached below with some exciting information.

Have a safe and happy weekend,
Charlotte Fawcett
Taradale Coordinator

WEEK 3

Week 3 was up and running celebrating Mothers/Someone special Day. We started with something we were grateful for, "pencils", "food", "family", "friends" and "coming to OSHClub".

We created some lovely paintings, bath salts, mugs, towel bunnies and teddy bears. Most importantly we created delicious brownie. I hope everyone who received a gift was just as happy as we were making them

WEEK 4

We started week 4 off with the children's favourite theme so far this term. "All about you", we got to explore and cook the things that they carefully picked out. From breakfast jars, cookies, plasticine, tie-dye and building a rocket ship they had endless amounts of fun this week!

Next week we will continue on with our Tye-dye.

If possible could you please supply something white for them to create a unique tie-dye pattern on.
