POLICY

There are many occasions during the school year where Wangaratta High School staff photograph, film or record students participating in school activities or events, for example classroom activities, sports events, concerts, excursions, camps etc.

We do this for many reasons including to celebrate student participation and achievement, showcase learning programs, document a student's learning journey/camps/excursions/sports events, communicate with our parents/carers and school community in newsletters and on classroom blogs/apps and on the school's website. There may also be occasions where we take

images to support student behaviour management or to fulfil legal obligations. Further detail is provided within this policy.

In addition to the above, there may be situations where a third party requests to take, use or disclose images of students.

This policy outlines the practices that Wangaratta High School has in place for the collection, use and disclosure of images of students to ensure compliance with the *Privacy and Data Protection Act 2014* (Vic). It also explains the circumstances in which we will seek parent/carer consent and how consent can be provided and withdrawn.

Consent

The Photographing, Filming and Recording Students Consent Form is provided by Wangaratta High School at enrolment. This form applies to standard uses of images for the time your child attends the school. Standard uses are defined in the following sections.

For non-standard uses, where consent is required, parents/carers will be sent a consent form for that specific situation. Schools will also notify parents when implementing software that may include photos of students, giving parents an opportunity to discuss any concerns or preferences.

If at any time parents/carers wish to withdraw their consent, they can by contacting the High School Reception via 5723 0500 or on Wangaratta.HS@education.vic.gov.au. If consent is withdrawn verbally, the school will make a written record of this. However:

- the school can still collect, use and disclose images in circumstances where consent is not required (see below for more information).

The media, or the Department of Education's media team, may seek to photograph, film or record students for a news story or school event. This may include broadcast media, online or social media or print media, including newspapers and magazine publications.

When Wangaratta High School receives such requests, our school will:

- seek prior, express parent/carer consent in writing.

Students will only be photographed, filmed or recorded by the media at school if express consent is provided for that specific media event. Neither the school nor the department own or control any photographs, video or recordings of students taken by the media.

On occasion, the school may agree to research projects being conducted at the school. If this occurs, parent/carer consent will be sought for student participation, including any photography or recording of students.

Parent or carer consent is not required for a school to install CCTV, and the High School as existing CCTV infrastructure. Our school's CCTV system is managed in accordance with the department's [CCTV Installation and Management Policy](#). Further information about how CCTV is managed and operated is available in our CCTV Privacy Notice.

Each year Wangaratta High School will arrange for a professional photographer to take official school photographs of students. This will generally involve both class photos and individual photos being taken.

Official school photographs may be:

- purchased by parents/carers
- used for school identification cards and student identity verification letters
- stored on CASES21 for educational and administrative purposes.

Wangaratta High School will notify parents/carers in advance of the official school photographs being taken to give them an opportunity to decide whether their child will be included in the photographs.

Parents/carers who choose to opt out of having their child participate in official school photographs must contact Reception before the date photos are scheduled to be taken to advise that their child will not participate. There is no obligation on any parent or carer to purchase any photographs taken. However, the school will need to discuss alternative arrangements with these parents/carers for identifying students in emergencies and other essential purposes.

Images to manage student behaviour or fulfil our school's legal obligations, including child safety

On occasion, it may be necessary for school staff to photograph, film or record students and/or use images to:

- fulfil legal obligations, including to:

However, when Wangaratta High School photographs, films or records a student for any of these purposes, staff will only collect and use such images in a way that is necessary, reasonable and appropriate in the circumstances.

Child Safe Standards

Wangaratta High School will use student images reasonably, appropriately and sensitively, consistent with our obligations under the Child Safe Standards and our school's Child Safety and Wellbeing Policy. If at any time a parent/carer or student has a concern about the use of any images they should contact the Principal.
