

MERIT SCHOLARSHIPS FOR 2026

Adelaide University

A comprehensive range of scholarships are available, ranging in value up to \$10,000 per year. Adelaide University offers a range of scholarships, funded by the University and by external organisations, for both commencing and continuing undergraduate students from wide-ranging backgrounds. Some of these include -

❖ Adelaide University Vice Chancellors Scholarship

Valued at \$10,000 per annum and a 100% fee waiver for up to 4 years full time study or part-time equivalent, and on offer to high-achieving CSP students who attain a raw ATAR of 99.95 and apply for **any eligible bachelor's degree**. Applications open early 2026.

❖ Adelaide University Future Leaders Scholarship

Valued at \$15,000 per annum for up to 4 years full time study or part-time equivalent, and on offer to high-achieving CSP students who demonstrate leadership potential and community service, attain an ATAR of 95.00, and apply for **any eligible bachelor's degree**. Applications open early 2026.

❖ Adelaide University Aspire Scholarship

Valued at \$5,000 per annum for up to 4 years full time study or part-time equivalent, and on offer to high-achieving CSP students who demonstrate leadership potential and community service. Applicants must attain an ATAR of 90.00 and apply for **any eligible bachelor's degree**. Applications open early 2026.

Note: This scholarship is offered to students who have been shortlisted for the Adelaide University Leaders Scholarship but were not awarded the scholarship, or received a conditional offer but did not meet the 95 (Selection Rank) criteria.

❖ Adelaide Academic Excellence Scholarship – International Students

Valued at a 50% tuition fee waiver for the duration of the degree, and open to eligible International students who attain an ATAR of 99.00 and applying for **any eligible bachelor's degree**. An online application must be submitted. Applications will be assessed by a selection panel based on merit. Successful recipients will be notified prior to commencement at Adelaide University and the scholarship will be applied to the Offer of Admission.

❖ Adelaide Emerging Leaders Award – International Students

Valued at a 25% tuition fee waiver for the duration of the degree, and open to eligible International students who attain an ATAR of 95.00 and applying for **any eligible bachelor's degree**. No separate scholarship application form is required. Scholarship recipients will be confirmed at the point of offer and acceptance.

There is a wide range of scholarships not mentioned in this document, all with varying application and closing dates. For more information, visit [Adelaide Uni Scholarships](#).

AgriFutures Horizon Scholarship

The AgriFutures Horizon Scholarship is awarded to CSP students studying an **agriculture-related undergraduate degree** or a Science, Technology, Engineering, Maths/Finance (STEM) degree with relevant majors which align to agriculture.

In partnership with industry sponsors, the AgriFutures Horizon Scholarship is an initiative supporting students enrolled in full time study at an Australian university by providing:

- A bursary of \$5000 per year for the final two years of your degree
- Professional development workshops
- Annual industry work placements aligned with the scholar's areas of interest and their sponsor's industry
- Opportunities to network and gain knowledge at a range of industry events.

To be eligible, students should be considering studying a degree related to agriculture, such as:

- | | |
|----------------------------|-----------------------------------|
| • Agricultural Science | • Agricultural Economics |
| • Rural Science | • Resource Management |
| • Livestock/Animal Science | • Sustainability |
| • Veterinary Science | • Food Security |
| • Agribusiness | • Agricultural Economics |
| • Plant Science | • STEM – aligned with agriculture |

Scholarship recipients will be selected on the basis of their commitment to a career in agriculture, as well as their leadership potential and high school academic record. To be eligible for the AgriFutures Horizon Scholarship, students must be enrolled full-time in their **last two years** of an agriculture-related undergraduate degree at an Australian university.

To find out more and stay updated, visit [AgriFutures Horizon Scholarship](#).

Australian Awards – Scholarships for International Students

The Australian Government provides development awards and scholarships to international students from developing countries.

These scholarships are offered for the minimum period necessary for the individual to complete the academic program specified by the university or TAFE institution.

To find out more visit [Australia Awards Scholarships](#) and [How to Apply for a Australia Awards Scholarship](#).

environment are encouraged to apply for the Deakin Science, Technology, Engineering and Mathematics (STEM) Scholarship. Recipients will receive a 20% reduction in tuition fees. Academic eligibility for VTAC International students is 5 points above the published lowest selection rank ATAR. No separate application is required, and all eligible students will automatically be considered.

❖ IGNITED Scholarship

The IGNITED Scholarship has been created to ignite women's interest in industry areas traditionally dominated by men, including engineering, information technology and construction management.

This scholarship is open to female CSP students who attain an ATAR of 70.00+ and are entering an approved undergraduate course.

If successful, students will receive a minimum of \$5,000 per year plus an academic mentor. An online application is required for this scholarship. Applications expected to open early-September 2025 and will close early January 2026.

Deakin University recommends that applicants check its website from August onwards for further information regarding the most up-to-date scholarships available, and how to apply. Visit [Deakin Scholarships](#).

Defence STEM Cadetships

Open to Australian students, the Defence STEM Cadetship Program offers cadets a head-start in their careers. Cadets can play a part in keeping Australia safe and secure while completing their tertiary studies. The Program is an entry-level employment pathway for high-performing undergraduate students currently studying for a relevant STEM degree. Defence also provides some financial support for a cadet's tertiary studies, including reimbursement of university course fees (upon successful completion of the relevant STEM units each semester in the program) and a bursary payment of \$3,000 per Cadetship year.

Current Year 12 students are eligible to apply after having completed 12 months of their bachelor's degree, and achieved a credit average (GPA ≥ 5 on a 7-point scale).

Browse the following link to find out more - [Defence STEM Cadetships](#).

Department of Defence Science and Technology

The Defence Women in STEM Undergraduate Scholarships are aimed at encouraging high-performing women to continue their university study in Science, Technology, Engineering, and Mathematics (STEM) fields and improve the representation of women in the STEM workforce. These scholarships are sponsored by the Defence Science and Technology Group (DSTG), the Australian Government's lead agency responsible for

applying science and technology to safeguard Australia and its national interests. Eligible students must be an Australian citizen **commencing a STEM degree** at an undergraduate level.

Applications are open, and close on 1 September 2025. Browse the following link to find out more - [Defence Women and Non-Binary people in STEM Undergraduate Scholarships](#).

***E*levate Program for Women in STEM**

The Australian Academy of Technological Sciences & Engineering's Elevate: Boosting Women in STEM program will award up to 500 undergraduate and postgraduate scholarships to women and non-binary people in STEM.

The Elevate program provides:

- A scholarship
- Access to events and networking
- Mentoring
- Ongoing support during scholars' university studies

Open to CSP students planning to undertake a STEM degree or higher studies to improve business acumen at an Australian university, commencing in 2026. Students are encouraged to browse [Elevate: Boosting women in STEM](#) and watch a useful YouTube clip about the program.

Applications for the 2025 Elevate program are open, and will close at 5:00pm (AEST) 1 September 2025. Students can browse [Elevate FAQs](#), and applications can be completed online through [ATSE Elevate](#).

***F*ederation University of Australia**

Range of scholarships valued up to \$12,000 and more. Some of these include -

❖ **[FedExcellence Scholarship](#)**

Valued at \$5,000 paid in four instalments of \$1250, and on offer to eligible CSP applicants who attain an ATAR of 85.00+ and will be commencing **any undergraduate** degree in 2026. No separate application is required. All eligible students will automatically be considered.

❖ **[FedSTEM Women Scholarships](#)**

Valued at \$4,000, and on offer to eligible female students commencing an undergraduate science, technology, engineering, or mathematics (STEM) course with the highest ATAR

score above 80.00. No separate application is required. All eligible students will automatically be considered.

❖ [Federation Excellence Scholarship](#)

Open to eligible International students applying for **any undergraduate degree**. This scholarship is the equivalent of 20% of the annual tuition fees for the duration of the program and is offered as a tuition fee discount. No additional application is required. All eligible students will automatically be considered.

❖ [‘Earn as you Learn’ Embedded Paid Internship](#)

All CSP students accepted into the [Bachelor of Information Technology \(Professional Practice\)](#) will combine study and practical industry experience. The **Bachelor of Information Technology (Professional Practice)** is an innovative program that has been developed in conjunction with industry to produce graduates who have an appreciation of the culture of work as an IT professional. An internship is embedded within the course which gives students the opportunity to undertake 1600 hours of paid work - \$50,000 - in an internship, with key industry partners such as IBM, Kyndryl, Westpac, or any other industry partners, during the last two years of the course. This allows students to develop relationships and establish networks for future employment or mentorship opportunities. All applicants must attend an interview to be considered for selection. Interviews are conducted with industry representatives to ensure applicants career objectives align with internship opportunities. Details about the interview process will be communicated to applicants via email after the close of timely VTAC applications – 29 September 2025.

Visit [Fed Uni Scholarships](#) and [Foundation Scholarships](#) for more information on all scholarships on offer, as well as to access application forms. Students should note that Federation University offers a range of access and equity scholarships.

Browse [Griffith Scholarships](#) to find out more and/or apply.

[Holmesglen Institute of TAFE](#)

A range of scholarships are on offer including equity scholarships, ranging in value from \$1,000 upwards. Scholarships are on offer from certificate to degree courses.

Visit [Holmesglen Scholarships](#) to find out more.

[International College of Hotel Management \(ICHM\)](#)

Numerous undergraduate scholarships on offer and range in value from 10 – 25% reduction in tuition fees.

ICHM offers scholarship funds for successful domestic and international applicants who have completed an Australian Year 12 and attain an ATAR. Students enrolling in the first year of the **Bachelor of Business (Hospitality Management)** degree are eligible to be considered.

The value of the scholarships vary and provide successful applicants with between a 10% and 20% and based on a minimum ATAR of 55.00 and above.

There is a 50% tuition fee reduction for the awardee of the **Hospitality Excellence Scholarship** – CSP students may apply. Applications are open, and close 30 September 2025.

For more information and/or to apply, visit [ICHM Scholarships](#).

International College of Management, Sydney (ICMS)

Each year ICMS awards several scholarships and awards to distinguish outstanding students from various programs. In addition to financial support, community-minded students have the opportunity to demonstrate their leadership skills to future employers.

Applications for 2026 are opening soon. Find out about these and other scholarships by browsing [ICMS Scholarships](#).

James Cook University

A range of scholarships, including accommodation scholarships and textbooks grants. Some of these include -

❖ [JCU Vice Chancellor's Scholarship](#)

Valued at \$10,000 per year for up to four years of study, and open to CSP students intending to enrol in **any undergraduate degree** excluding Medicine, Dentistry, and Veterinary Science. An ATAR of 97.00+ is required, and there is no separate application required for these scholarships. All eligible students will be considered.

❖ [JCU Dean's Scholarships](#)

Valued at \$5,000 per year for the duration of the course (up to four years), this scholarship is on offer to CSP students who attain an ATAR of between 95.00 and 97.00+ and enrol in any undergraduate degree excluding Medicine, Dentistry, and Veterinary Science. There is no separate application required for these scholarships. All eligible students will automatically be considered.

❖ [International Excellence Scholarship](#)

The JCU International Excellence Scholarship provides a 25% tuition fee reduction to International students throughout the entire duration of approved full degree study programs, provided recipients maintain a strong GPA each semester. Open to students intending to enrol in **any undergraduate degree** excluding Medicine, Dentistry, and Veterinary Science (and online and non-award programs). There is no separate application required for these scholarships. All eligible students will automatically be considered.

For more information about all scholarships, including residential scholarships, as well as the various closing dates, visit [JCU Scholarships](#).

Scholarships ranging in value up to more than \$4,000 per year. Some scholarships apply to any program of study; some are applicable to specific courses or campuses. Students wishing to apply for a La Trobe Scholarship must list La Trobe University among their VTAC preferences. Some of these include -

❖ **Vice Chancellor's Excellence Scholarship**

These scholarships are based on academic achievement and are awarded to students commencing their undergraduate studies in Semester 1 each year. Students are assessed for eligibility when they apply to La Trobe, and they will receive an email if they are a recipient.

❖ **La Trobe Vice Chancellor Scholarship – International Students**

A reduction of either 50% or 100% off the total course tuition fee, and awarded to International students who have excelled not only in their studies but also in extracurricular activities, sports, and community engagement - those who go beyond academics to create real change. Eligible applicants will need to submit an application for their desired course(s) and intake and be in receipt of an offer before making an online application for this scholarship.

❖ **La Trobe's Higher Achiever Scholarship for International Students**

Valued at between 15% and 25% reduction in tuition fees, and open to International students applying for a course from the following [list](#). Eligible applicants will automatically be considered for the scholarship.

❖ **Aspire Program Scholarships**

The [Aspire program](#) rewards the skills and knowledge students gain from the positive impact they have made on their school or community through community service or volunteerism. Up to forty [Aspire Scholarships](#), worth \$5,000 per year for up to four years, will be **awarded to leading eligible Aspire students**. There is no separate application for this scholarship, however students must be a successful Aspire applicant and achieve a minimum ATAR of 80.00 to be eligible for consideration. The scholarships will be awarded to Aspire students with the highest ATAR in their individual course.

Eligibility criteria for university wide, faculty and campus scholarships vary, as do the closing dates. Most scholarship applications open early August 2025. Students are encouraged to regularly browse the following link to be kept up-to-date about scholarships on offer, and their application details - [La Trobe Scholarships](#).

SSL *Trust Cyber Security Innovators Scholarship*

SSL Trust awards scholarships valued at \$1,000 to eligible first year students (over 18) studying in the field of Cyber Security at any university. In addition, students are also provided a *free* GeoTrust SSL Certificate for any project they may be working on. Alternatively, students can select one of SSL's many other types of certificates that they may require. SSL can also help with any web security advice and training when needed from their highly skilled security experts.

Applicants will need to submit a written application addressing the following question:

“What is the most significant cybersecurity threat, and what steps would you take to change/fix this threat?”

Applications open 1 August 2025 and close 30 November 2025. Find out more at [Cyber Security Innovators Scholarship](#).

S *winburne University of Technology*

Various scholarships are on offer ranging in value from \$500 to several thousand dollars. Some of these include –

❖ [Vice Chancellor's Excellence Scholarship](#)

CSP students receive this scholarship worth \$5000 per annum for the normal duration of their chosen degree*, plus a one-off payment of \$2000 towards an international study experience. Awardees will also be invited to apply for the [Swinburne's Student Ambassador Program](#), a paid role representing Swinburne at key events.

**Scholarship payments may be suspended for the duration of Industry Placement; this is because students already receive payment as part of the placement.*

There is no need to apply for the Vice-Chancellor's Excellence Scholarship. As long as a Swinburne degree is preferenced on VTAC, an ATAR of 95.00 or higher is attained, and the prerequisite study scores for the preferred course are met, students will automatically be offered a Vice-Chancellor's Excellence Scholarship.

❖ [George Swinburne International Excellence Scholarship](#)

This scholarship will recognise a student's high academic performance and is available to International students commencing **any bachelor program** (excluding the Bachelor of Nursing, Bachelor of Aviation and Piloting, Bachelor of Aviation and Piloting / Bachelor of Business (double degree) at Swinburne in 2026. If eligible, students will receive 30% of

their tuition fees for the standard course duration, calculated from the course start date to the course end date as stated in their Letter of Offer.

❖ [Swinburne International Scholarship](#)

High-achieving International students who plan to study **any bachelor program** (excluding the Bachelor of Nursing, Bachelor of Aviation and Piloting, Bachelor of Aviation and Piloting / Bachelor of Business (double degree) and one-year honours degrees.) at Swinburne in 2026 may be eligible for this scholarship. Valued at 20% discount on course fees per year for the duration of the course, this scholarship is awarded on academic merit, and no separate application is necessary. Students who apply for a course through VTAC will automatically be considered.

❖ [Swinburne International Pathway Scholarship](#)

Swinburne's pathways programs are designed to prepare you for study in Australia and direct entry to a range of undergraduate degrees. High-achieving International students who plan to study a **pathway** (e.g., Foundation Year, or the UniLink diploma) to their preferred bachelor program at Swinburne in 2026 may be eligible for this scholarship. These scholarships are awarded on academic merit. Scholarships are valued at \$3,000. Students will automatically be assessed for a scholarship when applying for an eligible package at Swinburne. There is no need for a separate application. Note that the number of scholarships available is limited.

Most scholarships open in August 2025. For a full list of scholarships on offer, the application procedures, and the closing dates, visit [Swinburne Scholarships](#).

***T**he Hotel School Melbourne*

A limited number of scholarships are available each year for outstanding candidates who have been accepted as full-time students into The Hotel School.

The Hotel School recognises talent and invests in the development of high-potential students interested in a degree in Hotel Management. Through its scholarship program, The Hotel School annually selects recipients who demonstrate potential to become future leaders in the industry. An [online application](#) is required for these scholarships.

Details regarding the application requirements, including opening and closing dates can be found at [The Hotel School Scholarships](#).

***T**he Ramsay Centre – Undergraduate Scholarships*

Each year the Ramsay Centre offers up to 90 school-leavers the opportunity to study [specially designed programs](#) on Western Civilisation as part of single or double/combined degrees (e.g. Arts/Law) at their [partner universities](#).

Financial support offered to a Ramsay Scholar will assist them for the duration of their undergraduate degree (including double degree e.g. BA/LLB). As a Ramsay Scholar recipients will receive:

- \$32,000 p.a. for the length of the degree program (studying full time) (for up to five years) to cover residential and other necessary costs associated with studies undertaken at one of our partner universities.
- Access to on-campus accommodation
- An allowance for one return airfare to Europe or elsewhere to support study or other related activities abroad
- Access to a Ramsay Scholars Common Room (including study spaces, social lounge, kitchenette) (for UOW and ACU scholars)

Eligible courses are listed below, and students apply directly to university partners.

- ✓ [Bachelor of Arts in Western Civilisation at the University of Wollongong](#)
- ✓ [Western Civilisation pathways at the University of Queensland](#)
- ✓ [BA \(Western Civilisation\) at the Australian Catholic University](#)

For more information, visit [The Ramsay Undergraduate Scholarships](#) and click on the following links:

- [UOW Ramsay Scholarship](#)
- [UQ Ramsay Scholarship](#)
- [ACU Ramsay Scholarship](#)

T [orrens University Australia](#)

Torrens University Australia offers a wide range of scholarships for domestic and International students.

Torrens offers a range of scholarships in specialised areas such as ***Business and Technology, Creative Technology, Design, Education, Health, and Hospitality.*** Recipients of these scholarships are usually awarded with a discount on their university fees.

Visit [Torrens Scholarships](#) to learn more, and to access application forms, where relevant.

The University has several scholarships offered to school leavers.

Visit [University of Canberra Scholarships](#) to find out more about all scholarships on offer.

The University of Melbourne offers a range of scholarships including numerous access & equity scholarships. Academic merit scholarships on offer include –

❖ [Chancellor's Scholars Program](#)

This opportunity is for all high-achieving CSP and International students who attain an ATAR of 99.90 or above or intend to undertake the Bachelor of Music and have achieved an ATAR of at least 99.85 and achieved an audition score of A+ or are of Indigenous Australian descent and have achieved an ATAR of at least 90.00.

Students must have applied for **any undergraduate course** offered at the university through VTAC and satisfy the prerequisites for their chosen course.

As a Chancellor's Scholar, CSP students will receive the following benefits -

- This scholarship is offered to students who have been shortlisted for the Adelaide University Leaders Scholarship but were not awarded the scholarship or received a conditional offer but did not meet the 95 (Selection Rank) criteria.
- Living allowance for up to three years with a value of:
 - \$5,000 per year for students who studied Year 12 in Victoria
 - \$10,000 per year for students who studied Year 12 outside Victoria

The duration of the allowance will be extended with one year if a student enrolls in a Bachelor (Extended) course and/or a concurrent diploma at the same time as their Bachelor's degree course at the University of Melbourne.

- Melbourne Global Scholars Award of up to \$2,500 for an approved period of overseas study as an Exchange or Study Abroad student
- Guaranteed Commonwealth Supported Place in one of the [professional master degrees](#) for students who meet the prerequisite course and entry requirements for the master degree

International students' benefits include:

- A 50% tuition fee remission for the standard full-time duration of a Bachelor's degree course
- Melbourne Global Scholars Award of up to \$2,500 for an approved period of overseas study as an Exchange or Study Abroad student
- Guaranteed International Full Fee place in one of the [professional master degrees](#) for students who meet the prerequisite course and entry requirements for the master degree

Eligible students who have applied for admission to the University via VTAC will be automatically considered for the Melbourne Chancellor's Scholarship.

❖ [Commerce Undergraduate International Merit Scholarships](#)

Offered to high-achieving International students who are enrolling in the **Bachelor of Commerce**. The scholarship offers 50% fee remission for the duration of the Bachelor of Commerce. No separate application is required as all eligible students will automatically be considered.

❖ [Commerce Achievement Scholarship](#)

Valued at up to \$30,000 over three years, this scholarship aims to reward high-achieving CSP students commencing the **Bachelor of Commerce** including Graduate Degree Packages. The Commerce Achievement Scholarship allows recipients to take advantage of the unique study opportunities available for Commerce students including our Global Management Consulting and Management Consulting subjects, local and international case competitions, student clubs and societies, employability workshops, mentoring and industry events, and the University's prestigious partner-network through Exchange. Recipients are also eligible for the University's exchange and overseas study scholarships including the \$2,500 Melbourne Global Scholars Award.

To be considered for the scholarship students must achieve an ATAR of at least 98.00 (excluding Chancellor's Scholars). No application required is required as all eligible VTAC applicants will automatically be considered.

❖ [Bachelor of Fine Arts Entrance Grant](#)

Valued at up to \$5,000 and awarded to eligible CSP students and International students applying for the **Bachelor of Fine Arts**. Eligible students who have applied for admission to the Bachelor of Fine Arts and have completed all application requirements (including audition and/or interview) will be automatically considered.

❖ [Bachelor of Music Entrance Grant](#)

Awarded to incoming **Bachelor of Music** CSP and International students who demonstrate excellent potential during their audition process, this scholarship is worth up to \$10 000 and awardees can receive between \$1000 and \$10 000. The selection will be based on their application and audition. Successful students will be notified mid-December.

Go to [University of Melbourne Scholarships](#) for up-to-date information on the broad range of scholarships on offer, including faculty-specific scholarships, numerous residential college scholarships, as well as very broad range of equity scholarships.

Numerous scholarships are on offer including access & equity scholarships.
Merit scholarships on offer include –

❖ [International Excellence Scholarship 2026](#)

Valued at 20% of the gross annual international tuition fee, and open to high-performing International students who apply to study for **any eligible bachelor's degree** (some courses are excluded) at the University of Newcastle. No separate application is required for this scholarship. All eligible students will be considered.

❖ [Ma & Morley Scholarship Program – Category: Academic Excellence](#)

Valued at up to \$50,000 and open to eligible CSP students commencing first year of study in **any University of Newcastle undergraduate program** in Semester 1, 2026. Students need to attain a raw ATAR of 90.00+ and have leadership aspirations. Applicants must also have demonstrated commitment to one or more [Ma and Morley values](#). An [online](#) application is required. Applications are open and will close on 14 September 2025. **Find out more about the benefits of this scholarship program, and apply at [Ma & Morley Scholarship Program](#).**

Students are encouraged to visit [Newcastle Scholarships](#) regularly to keep up with the latest scholarship information and availability.

Various Scholarships are valued from \$2,000 to over \$6,000 per year.

Besides the Commonwealth Scholarships and numerous access and equity scholarships, there is a range of merit scholarships on offer, as well as Faculty & Residential scholarships.

For a full list of scholarships on offer, and to confirm the opening and closing dates, or to download the applications for the above-mentioned scholarships, visit [UNE Scholarships](#).

Various scholarships ranging in value up to \$18,200 per year and more. Besides relocation scholarships and access scholarships, other scholarships on offer are:

❖ [UNSW CO-OP Program](#)

Set up by industry and the **University of New South Wales (UNSW)** the **Co-op Program** provides career development scholarships for high achieving undergraduate students, offering *industry training, leadership, and professional development, networking opportunities, mentoring and financial support*. These scholarships are offered in the fields of **Business, Science, and Engineering**.

The **UNSW Co-op Program** is open to Year 12 students entering university for the first time, or those commencing university for the first time after a gap year. Candidates for scholarships are not only selected on their academic ability, but also their communication skills, motivation, leadership potential, and passion for their chosen field of study. Any student expecting an ATAR above 96.00 should consider applying.

What do students gain?

- Up to 18 months of relevant industry experience with multiple companies during their degree.
- Financial support of \$21,600 per annum over four years.
- Leadership and professional development training.
- Mentoring and support offered throughout their degree.
- Career planning.
- Opportunities to network with leading employers and make valuable contacts within your industry.

Joining the Co-op community at UNSW enables you to form life-changing connections and opens up a world of opportunities. As a scholar, not only do you gain academic and professional insight from alumni, older scholars, and the broader Co-op community, you also start forming your professional and social network from day one.

Applications have opened and will close on 30 September 2025. Students can visit [Co-op Program](#) website to find out more and/or apply.

❖ [Gail Kelly Young Women Leaders Scholarship](#)

Valued at \$10,000 for up to four years, and open to female CSP students applying for undergraduate **study in any discipline**. Applicants will be assessed on the basis of:

- Academic Merit
- Leadership skills (school, workplace or community)
- A video submission addressing personal qualities such as: generosity of spirit, passionate for making a difference, courage, resilience, drive, love of learning (maximum 3 minutes)

- Their written responses to: *In what way do you hope to make a leadership difference? Why is it important to you? How do you plan on getting there?*

An online application must be submitted by 11:59PM AEST, 30 September 2025.

❖ General Merit Undergraduate Scholarships for Commencing Students

Valued at \$5,000 per year or the duration of the course, and open to all CSP students applying to commence **any undergraduate degree** in Term 1, 2026, and who seek to use their academic, leadership and community engagement experience to make a positive contribution to university life. Selection will be based on:

- Academic merit
- School and community leadership roles
- Commitment to extra-curricular activities (such as music, sport, debating, leadership programs, community and volunteer work, etc.)

An online application is required, and the closing date is 30 September 2025. By applying for this scholarship, students may automatically be considered for a few others, including applicants in Bachelor of Medicine/Doctor of Medicine.

❖ Scientia Scholarships

These scholarships are awarded to all CSP and International students who achieve a raw ATAR of 99.90 or above and apply to undertake full-time study at UNSW, and the scholarship is available to students in **most undergraduate degree programs, except for Medicine**. Only a very limited number of scholarships may be available to students enrolling in the BMed MD program. Students receive \$10,000 annually for the duration of the course. In addition to the annual stipend of \$10,000, Scientia Scholars receive other benefits including:

- Academic Mentors who are appointed to each Scientia scholar to provide advice and to support their academic progress.
- Scholars may be invited to a range of special events over the course of their studies.
- Some Scientia Scholars are invited to be Student Ambassadors, who represent their Faculty at various events including Open Day, Information Day, School Visits and Parent and Student Evenings.
- Scientia Scholars are encouraged to apply to their Faculty to be considered for research assistant positions.

Eligible students will automatically be considered by applying through UAC – no later than 18 December 2025 – and successful students will be contacted by UNSW.

❖ Women in Engineering Scholarship Program

Valued at \$5,000 per annum for up to four years, and open to CSP female students applying for full-time undergraduate study in an eligible UNSW **Engineering** program. Selection is based on –

- Academic Merit
- Demonstrated or potential leadership skills
- Extra-curricular activities (sporting, cultural activities, volunteer/work experiences)
- Aptitude and commitment to studies in an area of Engineering

An online application must be submitted by 11:59PM AEST, 30 September 2025. Shortlisted applicants will be invited to attend an interview on the 26 November 2025. By applying for this scholarship, students may automatically be considered for a few others. Browse [Women in Engineering Scholarship Program](#).

❖ [Mike Cannon-Brookes Endowed Scholarship](#)

This scholarship will cover 100% of the tuition fees and pay an annual stipend of \$10,000 for the duration of the program. CSP students applying to study the **Bachelor of Science/Bachelor of Science (Computer Science)** program at UNSW are eligible for consideration. Selection is based on –

- Academic Merit
- Leadership skills (school, workplace or community)
- Extra-curricular activities (sporting, cultural activities, volunteer/work experience)
- Aptitude and commitment to studies in Computer Science

An online application must be submitted by 11:59PM AEST, 30 September 2025.

❖ [Business School Merit Scholarships Program](#)

Valued at \$8,000 per annum for the minimum duration of program, and open to CSP students commencing undergraduate studies in the **Business School** at UNSW.

Applicants will be assessed on the basis of:

- Academic Merit
- Leadership skills (school, workplace or community)
- Extra-curricular activities (sporting, cultural activities, volunteer/work experience)
- Aptitude and commitment to studies in business

An online application must be submitted by 11:59PM AEST, 30 September 2025.

❖ [School of Mathematics & Statistics Undergraduate Scholarships](#)

Mathematics & Statistics Merit Scholarships aim to encourage and assist students commencing their studies in the **School of Mathematics & Statistics** at UNSW. Valued at \$5,000 per annum for the duration of the course, and open to CSP and International students. By applying for the Mathematics & Statistics Merit Scholarships students may be considered for a number of other scholarships listed at the following link. Selection is based on –

- Academic Merit
- Demonstrated or potential leadership skills
- Extra-curricular activities (sporting, cultural activities, volunteer/work experiences)
- Aptitude and commitment to studies

An online application must be submitted by 11:59PM AEST, 30 September 2025. By applying for this scholarship, students may automatically be considered for a few others. Browse [Maths and Statistics](#).

❖ [Science Undergraduate Scholarships](#)

Science Merit Scholarships aim to encourage and assist students commencing studies in the **Faculty of Science** at UNSW. Valued at \$5,000 per annum for the duration of the course, and open to CSP students. Selection is based on –

- Academic Merit
- Demonstrated or potential leadership skills
- Extra-curricular activities (sporting, cultural activities, volunteer/work experiences)
- Aptitude and commitment to studies

An [online application](#) must be submitted by 11:59PM AEST, 30 September 2025.

By applying for this scholarship, students may automatically be considered for a few others. Visit [Science Merit Scholarships](#).

Applications close for many merit scholarships on 30 September 2025. Numerous faculty scholarships are not listed above, and students are encouraged to visit and browse [UNSW Scholarships](#).

[University of Queensland](#)

UQ's undergraduate scholarship program is one of the largest in Queensland and one of the most generous in Australia. Valued between \$6,000 and \$30,000. Some of the Academic Merit scholarships include –

❖ [UQ Academic Scholarships Program](#)

UQ's [Academic Scholarship program](#) aims to reward the achievements of outstanding CSP and International students. There are two scholarships on offer and only one application needs to be made and students will be considered for both.

1. [UQ Vice Chancellor's Scholarships](#)

Valued at \$12,000 per year for up to 5 years, these scholarships will be awarded to CSP and International students who achieve an ATAR of 99.90 and apply through QTAC for a UQ course and list it as a first preference. Students must provide evidence of their most outstanding achievements from Years 11 and 12 in the areas of leadership and community service. Students must submit an [online application](#) to be considered. Applications open in early August 2025 and close in November 2025.

2. [UQ Excellence Scholarships](#)

Valued at \$6,000 per year for up to 4 years, these scholarships will be awarded to CSP and International students who attain an ATAR of 99.00 and who, during their senior years, have demonstrated outstanding extra-curricular academic and/or leadership and/or significant community service achievements. Students must apply through QTAC for a UQ course, and list it as their first preference. Students must submit an [online application](#) to be considered. Applications open in early August 2025 and close in November 2025.

Applicants only need to complete and submit ONE application form to be considered for the two Academic Scholarships listed above. Applications open early August 2025 and details on how to apply can be found at [UQ's Academic Scholarships Program](#).

❖ **[UQ Ramsay Undergraduate Scholarship](#)**

Valued at up to \$20,000 per year for up to 3 years and intended for academic CSP high achievers who desire to make a difference in the world. They are for students who are creative and intellectually curious with the critical skills to challenge the status quo and cross boundaries, and who value discussion, debate, and the opportunity to learn from others. The purpose of the scholarship is to support students undertaking a sequence of study in **Western Civilisation** either through the **Bachelor of Advanced Humanities (Western Civilisation) (Honours) program** or the dual **Bachelor of Humanities (Western Civilisation)/Bachelor of Laws (Honours) program**.

An online application is required, and the closing date is 10 August 2025.

❖ **[UQ International Excellence Scholarship](#)**

Valued at 25% reduction in tuition fees per semester for up to four years, and open to International students who are applying for an eligible course. No separate application is required as students who meet the eligibility criteria will automatically be considered.

❖ **[International High Achievers Award](#)**

Valued at 20% tuition fee reduction per semester, and open to International students. All eligible applicants will be considered automatically for this scholarship if they meet the eligibility criteria and have received an offer for a course.

❖ **[International Onshore Merit Scholarship](#)**

Valued at \$5,000 tuition fee reduction per semester for the first two semesters (A\$10,000 in total), and open to International students who have achieved a competitive ATAR and received an offer to study full-time at UQ commencing Semester 1 or 2, 2026 in an eligible program. All eligible applicants will be considered automatically for this scholarship if they meet the eligibility criteria and have received an offer for a course.

Applications for most scholarships open in August and close in November 2025. Students should check for closing dates themselves. For more information about these and the many other scholarships on offer, visit [UQ Scholarships](#).

A very wide range of scholarships with varying values. In many cases students are automatically considered for a scholarship on application for a course. However, where indicated a scholarship application form should still be submitted. Students considering accommodation scholarships should also visit the links provided. Some of the Academic Merit scholarships on offer include –

❖ [Chancellor's Award](#)

Valued at \$10,000 per annum for the duration of an undergraduate degree, and awarded to CSP school-leavers with an outstanding performance in the NSW Higher School Certificate Examination (ATAR 99.90) or equivalent, who apply for **any eligible bachelor's degree**. No application is required. These scholarships are awarded automatically following the release of ATAR results.

❖ [Dalyell Scholars](#)

The Dalyell Scholars stream rewards high-achieving CSP and International students with an ATAR of 98.00 or above. Awardees will have access to a range of enrichment opportunities that will extend their academic abilities and develop their leadership capabilities. Students who attain the ATAR of 98.00 and apply for a specific course from a range listed will be invited to become a Dalyell Scholar; alternatively, students can choose to apply for one of four Dalyell-specific courses where the stream is already embedded:

- [B Arts and B Advanced Studies \(Dalyell Scholars\)](#) UAC 513222
- [B Commerce and B Advanced Studies \(Dalyell Scholars\)](#) UAC 513310
- [B Engineering Honours \(Dalyell Scholars\)](#) UAC 513571
- [B Science and B Advanced Studies \(Dalyell Scholars including Mathematical Sciences\)](#) UAC 513911

Find out more at [Dalyell Scholars](#) and [Become a Dalyell Scholar](#).

❖ [Sydney International Undergraduate Academic Excellence Scholarship](#)

Valued at 100% tuition reduction for up to four years, and open to exceptional International students applying to enrol in **any eligible bachelor's degree**. An online application is required, and applications are now open at [International Undergraduate Academic Excellence Scholarship](#).

❖ [Vice-Chancellor International Scholarships Scheme](#)

The Vice-Chancellor's International Scholarship scheme is open to all International students with an offer to study at the University of Sydney. The scholarships are awarded on the basis of academic merit and offer a reduction of \$5000 to \$40,000 on first-year tuition fees. No application is required, as all eligible students who have secured an unconditional offer of admission will be automatically considered.

❖ Faculty Scholarships

A number of faculties provide scholarships for first-year students (students currently studying for their Year 12), as well as scholarships and prizes to current students in their later years of study. Some faculty scholarships are available via the Sydney Scholars Award applications, while others require individual applications. Students are advised to check with the faculty offering their preferred degree to find out if they are eligible for any scholarships or visit the links below and refer to the faculty information provided.

Domestic students: [Uni Sydney Faculty Scholarships](#)

International students: [Uni Sydney Faculty Scholarships](#)

For a list of all scholarships on offer, including faculty, sporting, and accommodation scholarships, the closing dates and/or to access the applications, visit [Uni Sydney Scholarships](#).

U niversity of Tasmania

Applicants to the University are automatically considered for this scholarship and do not need to submit a separate application.

❖ [UOW Ramsay Scholarship](#)

Valued at \$32,000 per annum for up to five years, and open to CSP students who enrol in the **Bachelor of Arts in Western Civilisation** as a single degree or double degree. Visit [Bachelor of Arts in Western Civilisation and the associated Ramsay Scholarship](#) to determine the application date.

❖ [Westpac Young Technologists Award](#)

Valued at \$5,000 per year for up to three years, this scholarship is on offer to CSP students intending on commencing full time study in one of the following programs:- [Eligible degrees](#).

All Young Technologists Scholarship recipients will take part in the Disruptive Leaders Program – a five-day intensive program in Asia designed to develop your leadership capabilities, cultural intelligence and international connections. An additional \$5,000 will be awarded to cover the cost of attending the Disruptive Leaders Program.

Awardees will also become a lifelong member of the Westpac 100 Scholars Network (W100). Growing by 100 inspiring Aussies each year, the W100 is a unique network of support and opportunity. Students have access to internships, inspiring mentors, leadership development and networking opportunities. Applications will open on 2 September 2025 and close on 13 January 2026.

To find out more about all scholarships on offer, and to access the [online application](#) visit [University of Wollongong Scholarships](#).

Victoria University

A wide range of scholarships are on offer to TAFE sector students up to university level, and across all fields of study. Some of these Merit Scholarships include -

❖ [First Year Booster Scholarship](#)

Valued at \$2,000 for one year, and open to CSP students who are completing Year 12 in 2025 and are made an offer and enrol into one of a number of [eligible undergraduate courses](#) in Semester one, 2026. An [online application is required](#).

❖ [VU Early Entry Scholarships](#)

Valued at up to \$5,000 paid incrementally throughout the course applied for. The answers given in the VU Early Entry application will be used as a scholarship application — so students should make sure they take the time to put their best foot forward when submitting.

- **Achiever:** Awarded to students with outstanding VCE results (up to the value of \$5,000).
- **Community Leader:** Awarded to students who contribute to their school, family or community in a positive way (up to the value of \$5,000).
- **Innovator:** Awarded to students with a vision on how they can improve and change the world around them for the better (up to the value of \$5,000).
- **Explorer:** A one-year accommodation scholarship for UniLodge VU at our Footscray Park campus to help students looking to relocate (with designated scholarships available for rural, regional, and First Nations students).

Visit [Victoria University Scholarships](#) to find out more about all scholarships offered at VU, and their application dates.

Victorian Government Scholarships for Secondary Teaching

The Victorian Government has invested more than \$93.2 million to deliver scholarships to support secondary teaching degree students with the cost of studying and living. The Victorian Government has announced that up to 200 scholarships will be available for students enrolling in 2026 in secondary teaching degrees focused on in-demand specialisations.

The Secondary Teaching Scholarship (STS) is on offer to eligible CSP Victorian students enrolling in an accredited secondary school teaching degree. The scholarship pays recipients while they learn and supports them with the costs of studying and living.

The scholarships will be available to students who enrol and commence studying eligible secondary school teaching degrees, with further payments if they then work in Victorian government secondary or specialist school settings after they complete their degree requirements.

Further details will soon be available at [Vic Gov Scholarships for Secondary Teaching Degrees](#).

Western Sydney University

Range of scholarships on offer, including numerous faculty-specific scholarships

❖ [Vice-Chancellor's Academic Excellence Undergraduate Scholarships](#)

Valued at 50% tuition reduction for up to three years, and open to International students who attain a minimum ATAR of 90.00 and satisfy all other admission requirements of **any undergraduate course** they have applied for (excluding the Doctor of Medicine, Bachelor of Nursing and Bachelor of Physiotherapy). The scholarship is a tuition fee waiver and does not cover costs associated with living expenses, accommodation, transport, overseas student health cover or other costs associated with study. All international applicants will be automatically considered for this scholarship; no separate scholarship application is required.

❖ [Westpac Young Technologists Award](#)

Valued at \$5,000 per year for up to three years, and access to an Enrichment Program which includes access to mentoring, internships, professional development and more to launch their technology career, this scholarship is on offer to CSP students intending on commencing full time study in an undergraduate degree in a Science, Technology, Engineering or Mathematics discipline.

Applicants must provide a personal statement outlining:

- Their passion for technology and learning
- Their desire to participate in their community, including being an active Westpac Scholars Alumni member
- Their adaptability and resilience

Applications will open on 2 September 2025 and close on 13 January 2026.

Visit [Western Sydney University Scholarships](#) to browse all scholarships on offer at UWS.

Westpac Bicentennial Foundation Scholarships

The Westpac Bicentennial Foundation supports scholars in five areas that are key to shaping the future of Australia. Scholars from across the five scholarship categories will

be leaders, innovators, and pioneers - people from all walks of life who have the drive to shape the future prosperity and growth of Australia. **Year 12 Australian citizens or Permanent residents are encouraged to take note of these [Westpac Scholarships](#) in anticipation of applying for them once at university.** The programs on offer include:

❖ [Young Technologists Scholarship](#)

Awarded to up to 35 students a year, the Young Technologists Scholarship is open to talented and inquisitive CSP high school graduates looking to strengthen their passion and expertise in technology to innovate and create new opportunities and inspire good in the world of STEM. Applicants will need to apply for approved technology-related degrees at one of five partner universities –

- [Murdoch University](#)
- [Queensland University of Technology](#)
- [RMIT University](#)
- [Western Sydney University](#)
- [University of Wollongong](#)

Students who want a diverse and exciting career working at the cutting edge of technological innovation are encouraged to apply for an eligible course at the above-mentioned universities. Successful recipients will receive \$15,000 over three years to help support their undergraduate studies in technology, and will also have access to paid internships and inspiring mentors. In addition, students will receive \$5,000 to cover the cost of attending the Disruptive Leaders Program. Best of all, students will become a lifelong member of the [Westpac 100 Scholars Network](#): an inclusive group of some of the brightest young minds in Australia. Lifelong membership to this network gives students access to one of Australia's most diverse meetings of like minds. It is designed to be inspiring, influential and a life-long learning experience. Application will be assessed by the chosen university and top candidates will be shortlisted. Candidates will then be invited to attend an interview to determine their selection. The interview panel will be made up of a combination of Westpac Scholars Trust and university staff. Find out more at [Young Technologists Scholarship](#) or register an interest in the 2026 program [here](#). Applications will open on 2 September 2025 and close on 13 January 2026.

❖ [Asian Exchange Scholarship](#)

The Westpac Asian Exchange Scholarship is a remarkable opportunity offered to passionate and curious individuals looking to expand their worldview, embrace new perspectives and help build stronger ties between Australia and Asia. Asian Exchange Scholars receive funding to undertake studies in a selected destination in Asia for up to two semesters. This funding supports travel, study and living expenses as scholars immerse themselves in the cultural, social and political experiences the region has to offer.

Scholars can undertake studies in mainland China, Hong Kong, Singapore, Japan, South Korea and Taiwan, provided there is an exchange agreement in place between their university and the host institution in Asia.

Recipients will receive \$12,700 in financial support for their exchange in Asia and to

participate in our Leadership Development Program. This funding can be put toward travel, living and study expenses such as flights, accommodation, food and textbooks.

As a Westpac Asian Exchange Scholar, students become part of the [Westpac 100 Scholars Network](#). Lifelong membership to this network gives students access to one of Australia's most diverse meetings of like minds. Drawing on the Scholars' strong sense of purpose and desire to collaborate, the network is designed to be inspiring, influential and a life-long learning experience. **Although this scholarship will only be available for students once they are at university, they are encouraged to stay well-informed of this significant opportunity.**

Find out more at [Asian Exchange Scholarship](#).

❖ [Future Leaders Scholarship](#)

The Westpac Future Leaders Scholarship is all about supporting everyday people with big ideas looking to pursue postgraduate research or coursework in areas related to sustainability, technology and innovation, social change or Australia's relationship with Asia. Successful recipients will be awarded up to \$120,000 over 2 – 3 years to complete their post-graduate study, and have the opportunity to shape their leadership skills. As part of the scholarship students also get to head overseas for up to six months to study. As a Westpac Future Leader, awardees will also become part of the [Westpac 100 Scholars Network](#). Lifelong membership to this network gives students access to one of Australia's most diverse meetings of like minds. It is designed to be inspiring, influential and a life-long learning experience. **Although this scholarship will only be available for students once they are at university, they are encouraged to stay well-informed of this significant scholarship.**

Find out more at [Future Leaders Scholarship](#).

❖ [Social Change Fellowship](#)

Ten Social Change Fellowships are awarded each year. Successful individuals who have the vision and commitment to deliver an initiative that will improve the wellbeing of Australians, will receive up to \$50,000. The Fellowship is designed to give Australian recipients time and space to develop the skills, knowledge and networks needed to accelerate their growth as a social innovator. This may involve travel study tours, work experience, research or building stronger connections that will directly enhance their ability to lead positive social change.

The Fellowship could cover:

- Six-month personal development journey
- Travel and accommodation costs (overseas and/or domestic)
- Expenses relating to the experience

As a Westpac Social Change Fellow, awardees will also become part of the [Westpac 100 Scholars Network](#). Lifelong membership to this network gives students access to one of Australia's most diverse meetings of like minds. It is designed to be inspiring, influential and a life-long learning experience. **Although this scholarship is not available for undergraduate students, they are encouraged to stay well-informed of this significant scholarship.**

Find out more at [Social Change Fellowship](#).

❖ [Research Fellowship](#)

Through the Research Fellowship, the Westpac Bicentennial Foundation annually supports two outstanding early career researchers whose ground-breaking work in one of Australia's leading research universities has the potential to enhance Australia's competitive position in technology and innovation or help strengthen Australia's ties with Asian economies. Successful recipients receive \$400,000 over three to five years to fund their postdoctoral research projects in areas relating to sustainability, technology and innovation, social change and Australia's relationship with Asia. As a Westpac Research Fellow, awardees will also become part of the [Westpac 100 Scholars Network](#). Lifelong membership to this network gives students access to one of Australia's most diverse meetings of like-minds. It is designed to be inspiring, influential and a life-long learning experience. **Although this scholarship will only be available for Australian applicants on completion of their undergraduate degree, students are encouraged to stay well-informed of this significant scholarship.**

Find out more at [Research Fellowship](#).

William Angliss Institute

Merit scholarships and equity scholarships are on offer from William Angliss Institute. Besides the equity scholarships, William Angliss also offers scholarships for its range of courses, valued at \$1,500 upwards. Some of these include –

- ❖ Ovolo Hotels Scholarship – value \$3,000 (domestic and International students)

Women of STEM Scholarships

Valued at \$5,000 annually for the duration of the degree, and offered to young Australian women aged 17-20 who are studying a degree in a STEM related field –

- **SCIENCE:** Biology, Chemistry, Geology, Physics, and Environmental Science
- **TECHNOLOGY:** Computer Science, Information Technology, and Software Disciplines
- **ENGINEERING:** Electrical, Electronic, Mechanical, Civil and Robotic Engineering
- **MATHEMATICS:** Applied Mathematics, Statistics, Data Analytics

The purpose of this scholarship is to provide the chosen applicants with financial aid to be used for general living expenses, course expenses, textbooks, extracurricular or any additional education. The recipient must be actively enrolled and studying during the duration of the scholarship.

The awarded scholarship will amount to \$5,000 per year and will continue to be paid each year that the recipient continues to study provided they maintain a credit average. This time period is dependent on the student's degree length however it will not exceed more than four years. The amount will be paid fortnightly.

An online application is required, and applicants will be invited for an interview.

Applicants must ensure they have a resume and cover letter (not ChatGPT generated), meet the course prerequisites, and meet the scholarship eligibility criteria. Applications open on Thursday 18 December 2025.

For further information visit [Women of STEM Scholarships](#).

THE INFORMATION PROVIDED IN THIS RESOURCE IS A GUIDELINE FOR STUDENTS

It is a summary of many of the foremost academic merit scholarships on offer and it is important that students confirm specific details of the various scholarships, i.e., eligibility, and the closing dates for their application/s themselves.

Students should also check whether the scholarships they are applying for are deferrable or not.

It is also advantageous to visit the university websites provided in this document regularly, as they are frequently updated, and detail numerous other scholarships - *access & equity scholarships, elite sport, and accommodation scholarships* - not referred to in this resource.

Students should also note that not every tertiary institution is listed here. It is imperative that students are methodical in researching the websites of the institutions they are applying to themselves.

Where possible, reference has been made as to whether the scholarship is available to Commonwealth Supported Students (CSP) – referring to *Australian citizens, some New Zealand citizens*, and residents on *Permanent Humanitarian Visas* only – or whether it is open to International students too.

Students should double-check their eligibility themselves.

Students are encouraged to browse the following links regarding numerous other scholarships - many of which are access & equity scholarships and/or financial assistance opportunities –

[VTAC - Access and Equity Scholarships](#)

[Study Assist Scholarships](#)

[Gallipoli Scholarships and Bursaries](#)

[Help and Support for Further Study in TAFE and University](#)

[Services Australia - Student Start-Up Loan](#)

[Country Education Foundation Scholarships](#)

All information provided in this resource was current at the time of publication.

Students are encouraged to verify these details, their eligibility, and regularly visit the institution websites for updates, including announcements about new scholarships.
