

HSC Trial Preparation Lectures

Dear KLA Coordinator/Head Teacher,

The **University of Wollongong** will be again hosting a series of subject-specific lectures for HSC students in the July Holidays (Monday 16th July - Friday 20th July 2018).

We would like to extend an offer for students at your school to attend these lectures at a school group discounted price. For groups of 5 or more, a discounted rate of \$20 (normally \$40) will apply for any of the subjects at the UOW campuses

Last year, over 3,800 students attended these lectures across NSW. Each subject will be presented by a highly experienced HSC Teacher/Marker

Students will also receive detailed notes for each lecture.
