

INTERNATIONAL WOMEN'S DAY WALK 2018

Join us for a community walk of solidarity and celebration at Cherry Lake Altona as we celebrate International Women's Day. There will be live music, coffee and snacks, guest speakers and inspirational women profiled throughout the walk.

International Women's Day is a global day celebrating the social, economic, cultural and political achievements of women. This year there's a strong call-to-action to press forward and progress gender parity. Let's motivate and unite friends, colleagues and whole communities to think, act and be gender inclusive.
