4. Students must supply their own equipment.
5. No player is to leave the complex until you are finished for the day.
6. First Aid is available, thanks to Beneficial Safety.
7. Use sunscreen, drink fluids and eat your snacks between games as there is no set lunch break.
8. All enquiries should be directed to Heidi Hardaker.

Format of Play:

- Today is a **TRIAL**, not a tournament, where 3 girls and 3 boys will be selected in the Armidale Diocesan team. You will not play the same person twice today which means every game counts towards the end result.
- A Round Robin will be played in the morning where the top 4 finishers for boys and top 4 finishers for girls will be asked to stay behind and play the finals.
- The order of play is below so you can find your own opponent and be ready to go on.
- All matches will be played first to 4. Tie break 3 all. This tiebreaker is played first to 7, the advantage of 2.
- Players are to umpire themselves so you are expected to call the score out loud. If unhappy with the scoring you are to put your racquet down on the court and call for one of the conveners...no one else.
- Both players are to report **TOGETHER** the score to the Convener/Scorekeeper inside the clubhouse **IMMEDIATELY** after the game.
- Remember the Code of Conduct you agreed to and appreciate the time span we have in running these trials.
- The format and order of play will be followed if the weather allows it. The Convener can shorten matches or change the format if time is a factor.
- Court 7 is available for warm-up if necessary.
