Dear Parents,

Thank you for volunteering to help out with the transportation of the boys to the away games. Please check the draw to see when you will be transporting your son and his team to and from their game. Your name is printed in Green on the draw. On the day you will need to:

1. Pick up the team members from the Junior School playground at 3pm and transport them to the appropriate venue for a 4pm start. You will then have to wait with the team until all games are complete (this will be 5pm at the latest.)
2. Take the score card and record the scores of each game. Also take a photo of the score cards.
3. Transport all team members back to school for them to either be picked up by their parents or make their own way home on public transport. You are not required to stay with the boys until they are collected from school but it would be much appreciated.

Thank you in advance for your help with this.
