Enrolment Commitment

We desire to enrol our child into the School Preparation program for the Sacraments of Confirmation. We recognise that we are their first teachers in the ways of faith and that we are doing our best to provide for our child a true pattern of Christian living. We acknowledge a commitment to the celebration of Sunday Mass and of family prayer. We are aware that our child must be carefully prepared for full and active participation in the sacramental life of the church, and that the responsibility for this preparation is primarily our own.

We rely on God's help and the continued support and encouragement of God's people in the Church to faithfully accept these responsibilities.
