

Interschool Sport – Summer Season

Monday 3rd February 2020

Dear Parents,

The summer season of Interschool Sport commences soon! See below for details of our fixture.

A permission form has been sent out via the parent portal on Sentral. Permissions and payment must be received by on time so that we can finalise teams.

The Interschool Sport program is a highlight of the week for many students. To help things run smoothly, we urge parents to get involved and lend a hand where possible. It is particularly helpful to have a parent helper scoring so that teachers can concentrate on umpiring and managing the team. You do not need any expert knowledge to score or help manage a team (keep track of subs, make sure next batter is ready, etc) and the extra help enhances the experience for all students.

We are also in need of volunteers to wash the shirts each week of the competition. Please return the slip below to your child's classroom teacher to indicate if you are able to help in any way.

Kind regards,

Karen Donnelly & Ellen Morton
