

Year 12 Tutorial Schedule

2026 Term 4

Week 2

In week 2 of term 4, Year 12 students are not required to attend classes for General subjects. They are, however, invited to attend one optional tutorial in the week. We are sharing this with students and parents well in advance so that families can plan around these scheduled tutorials, and what works best for students at this time for their External Assessment preparation.

The following schedule outlines when teachers are delivering a tutorial for their classes.
