

# The Glass Soldier

In the 100<sup>th</sup> year of the armistice at the end of WWI, as a  
tribute to all service men and women we present;

## THE GLASS SOLDIER

The moving unique story of Nelson Ferguson, a WWI artist  
musician/stretchier bearer from Ballarat, his blindness  
caused by the war and the eventual almost miraculous return  
of his sight, told in words and Music.

The music is supplied by the  
"Melbourne Villers-Bretonneux Brass Ensemble"  
A group of Australia's finest brass musicians, and the text;  
written by his grandson.
