Wednesday 28th April, 2021

Dear Parents/caregivers

The National Primary Games is an inclusive festival of Sport which includes 6 different codes for children years 3, 4, 5 and 6 catering for teams of all standards over the weekend 10th and 11th of July (This is in the Mid Year school Holidays). St Edward's is hoping to enter teams in the Rugby League, Netball, tball (soccer) and possible Gymnastics for students who are already participating in Gymnastics at a competitive level.

The festival will be held in Tamworth and our teams will compete against teams as far north as the Sunshine Coast and South to the ACT. The NPG values sportsmanship and inclusivity being the focus of the weekend. The Macquarie Bank Spirit of the Games Award will be presented to a team who best represents this attitude within each of the sports.

The NPG is supported by the **Australian Olympic Committee (AOC)** who will be providing Olympians in support of this festival.

All teams will play competitive games and every team will participate in a final no matter their placing.

Costing: \$\$\$ Is yet to be decided as it is a team nomination fee, Depending on how many students we have playing/ respond to this expressions of interest will determine the cost. The cost will include: NPG Commemorative Cap, two days of sporting competition, Registration and Insurance.

We are looking for expressions of interest from you for your child to see if we will have enough children to make a team and enter the competition. We would also be looking for coaches for the teams. If we have enough students to make a team and register, the coaches of the teams will then be in charge of arranging training times and the running of the team on the day. I will register teams and collect money from individual players.

Please return this note to me by Wednesday 12th May, so I am able to send further information out if needed. **Remember this is only an expression of interest so please no money is to be brought to school until further notice.**

Sports Coordinator
Tash Gippel

PLEASE fill in and CIRCLE

My Child _____ in class _____ would/ would NOT be interested in participating in the NPG competition held in the July school holidays.

My child would like to play in a team competing in netball/ football/ rugby league/ Gymnastics.

I understand that a team will only be registered and competing if there are enough players and if there is a parent willing to coach.

I am/am NOT willing to coach if my child's team requires me to.

Signed Parent/caregiver_____
