

ESSENTIAL COMMUNICATION TOOLS AND PLATFORMS

Here is a summary of the communication platforms we use at BHCS to keep you informed.

KIT:

- Designed primarily for Secondary students, with some resources available to Primary families
- For Primary & Secondary families:
 - Quicklinks to report absences; school calendar; newsletter and Flexischools
 - Student timetables
 - Web app available for download onto phone/tablet or desktop
- For Secondary families:
 - Access curriculum information (for Primary/Kinder see The Hub)

Flexischools (formerly FlexiBuzz):

- Used for canteen ordering, reminders, alerts, during emergencies and general information - eg. weekly newsletter & events
- App. available for download onto phone / tablet / PC

iNewsletter:

- Program used to distribute our fortnightly newsletter Thursdays during school terms
 - No app / PC download or login necessary, published via Flexischools and Email
- Contains essential school information
- New families added to our subscription database

Email:

- School communication distributed via this platform
 - Historically bigpond.com, hotmail.com and yahoo.com addresses have had delivery issues

Social media:

- Visit our Facebook page at www.facebook.com/belgraveheightschristianschool
- Find us on Instagram @belgraveheightschristianschool
- Showcases stories and photos of current school life

Digital Screen (in Car Park):

- Updated regularly with important reminders and upcoming events
- May be used in an emergency to help communicate to school families (e.g. Code Red Day)

The Hub:

- For Kinder and Primary: Brings the classroom to families through photos, videos, learning stories, events and reminders

Operoo:

- This platform is discontinued from 30 January 2026.
- More information is to come regarding the platform that will be used for all permissions - camps / excursions / events.
