

Athletics Inter-house Carnival

The day was great with amazing weather, great competition and everyone participating. It started off with the 100 metre races where we had everyone cheering for their house participants. We had some close races with one of them being the open girls relay with Tongerlo winning by 0.07 seconds against Kilnacrott. We had many records that were broken by some great athletes and we thank **Miss Kyd and Miss Johnson** for their cracker jokes, great updates and fire sound tracks all day.

The day finished off with Tongerlo taking home the shield, **Zeta Stevens and Holly Giles** being the open girls champion and runner-up champion while **Francesco Tilli and Kyran Taylor** being the open boys champion and runner-up champion.

For a bit of fun and our final run as Year 12's we all took the track and ran a final 100 metre race together.
