

The Pencils Project

My name is Jo and I am a Merri-bek resident and parent who collects pencils, pencil cases/their contents, etc. all year round and repackages/donates them to kids in need in Australia and overseas. If you have lots of pencils from previous school years and don't need them all, please consider donating them to The Pencils Project so they can have a second life helping another child "colour their world". Repackaged pencil cases and donated stationary are distributed via charities including Big Group Hug, Nourishing Neighbours and Rotary (Donations in Kind).

Thank you for donating any of the following (used or new) items:

- Pencils (coloured/grey lead), Twistable crayons
 - Pencil cases
 - Rulers, Erasers, Sharpeners, Scissors
 - Glue sticks, Blu-tack, Adhesive tape
- Textas/Markers, Highlighters, Pens (working only)
- Exercise books/Scrapbooks/Colouring books (even partly used)

Donations can be dropped directly to me in Hadfield (email jo_howard76@hotmail.com for the address) or Poppy Café & Pantry, 169 Derby St, Pascoe Vale (8am-3pm daily)

Thank you 😊
