THE CRAB

I was walking on a beach
And I found a crab
He looked up and said what's up
And he did a dab

I started to run
He said don't go max
So I stopped and lay on my back
And I said let's relax

EARTH

Vivid lights flashing
Glowing cites in the night
A glowing marble

THE KNIGHT

There was a frightened knight
Who was stuck in a fight
Then he retreated
And went bare-footed
What a very sad knight!

THE LETTER Z

T h e l e t t e r Z:
Rhymes
With red
And also
With Ned
Well we
Know it's the best!

PHOTOGRAPHY

Capture, Glimpse
Patience, flow, bloom
An emotion that is unexplainable
