## TERM 4 - 2024

### SPRING MAGIC MARKET

Our annual school market is a magical event that brings the whole school together for our biggest fundraiser. A wonderful combination of food, arts, entertainment, and fun activities, it is an experience that celebrates and showcases our amazing school community! It is also a fantastic opportunity to attract new families to our school. We look forward to seeing you there!

If you can help by volunteering on the day, please add your name to the volunteer roster (link in school newsletter or email [market@brunswicknwps.vic.gov.au](mailto:market@brunswicknwps.vic.gov.au))

### SPECIALIST DAY FOLLOWED BY PLANT & PRODUCE MARKET

We invite you to visit the specialist classrooms to see what your child has been learning. More details to come in term 4!

Following this, please join us in the undercover area for a plant & produce market fundraiser, where a group of grade F-2 parents will help sell and serve baked goods, plants and produce donated by the whole school. Donations can be delivered from 3pm to the undercover area or dropped off at the front office on the day.

### WHOLE SCHOOL FUN DAY

For over 10 years (with a couple of recent exceptional years that we won't talk about) we have celebrated a year of learning, growing and connecting with each other through a whole school Fun Day at Coburg Olympic Pool. Who wouldn't love swimming, splashing and lounging around with their friends and teachers?!

For the safety of our students, the pool is closed to the public on this day. Parents and carers with a current Working with Children Check are welcome to join us and all students will be given a safety briefing when they first arrive.

We have three separate pools available for students of different ages/heights/swimming abilities. Students are allowed to bring clean buckets and containers for water play - water pistols are not allowed for student safety reasons.

### OSHC END-OF-YEAR CELEBRATION

Join us for a fun afternoon celebrating another great year of OSHC! Come for a play, meet the educators, chat with other families and grab a bite or three. This event is open to the school community, no RSVP required.

### ART ATTACK - WILD

Art Attak this year is titled WILD and will showcase students' visual as well as performing arts learning throughout the semester. A visual arts trail from 3:30pm will culminate on the oval where, at 5:30pm, grades 1-6 students will perform their production of "Where The Wild Things Are". Food trucks will be operating up until the performance begins. Bring a picnic rug to sit on and snacks to enjoy. The evening will conclude after the performance finishes at 6:30pm.

### OUR SUBCOMMITTEES NEED YOU!

Did you know that the brown boxes (e.g. B & G) on this calendar refer to subcommittee meeting dates?

Our subcommittees, made up of parents/carers and staff, provide advice and make recommendations to School Council, and are vital to the running of our school.

If you have ideas, can volunteer some time and want to help strengthen our school community, we ask you to please consider joining a subcommittee in term 4 or 2025. We'd love to hear from you!
