To all parents, teachers and students we would like to take this opportunity to introduce ourselves and give a brief overview of our services, philosophy and approach towards food that we supply to your school.

Botany Bites Catering is a family run catering business based in Matraville. We are passionate about food and providing great tasting school meals to your school.

We have a Fresh Food philosophy which is simply using real food, which is cooked, prepared, and packed fresh daily. We always use fresh and quality ingredients.

We are looking forward to servicing your school this year. You can order online by creating an account with Flexi Schools. Visit www.flexischools.com.au to sign up. Please sign up for the FlexiSchools App so that you can receive regular communication from us.

If you need to cancel your order or have questions requiring immediate action, call us on PH: 96661799.

If you have any queries about our food, suggestions or special dietary requirements please email us at food@botanybites.com.au (emails are responded to at the end of each day).
