

KILLARA HIGH SCHOOL PRESENT

A MENTAL HEALTH PROJECT WITH A DIFFERENCE

KHS SOCKTASTIC WORLD WELLBEING DAY

We want your 'lost' and 'lonely' socks so we can give them a new life!

We will be joining the lost socks together to circle the school in one big 'Wellbeing Hug' - showing that no 'sole' is left behind!

All socks will be disposed of through a recycling project in partnership with the local rotary club ensuring their life continues after this project

How can you get involved?

Option 1:

Bring us all your odd socks and let us recycle them for you

Option 2:

Join our Socktastic club and sew the socks together

Option 3:

Get your home group to make a special sock line

Prizes available!

Option 4:

Be part of the planning and logistics team for our Socktastic Day
