

# HIGGINS ANZAC DAY POETRY COMPETITION

## 2021 Entry Form

ANZAC Day is a significant date in the Australian calendar. The Higgins ANZAC Day Poetry Competition provides an opportunity for local students to reflect on the day's cultural significance and the courage and sacrifice made by the men and women who served our country and to honour these brave Australians.

The theme of this year's competition is Women in War, highlighting the many and varied capacities in which women have played an active role either on the front lines or behind the scenes.

Please submit your poem in 150 words or less and ensure it focuses on the theme of Women in War.

Each school in Higgins is invited to participate, with each school receiving a 1st, 2nd, and 3rd place recipient.

All participating students will also receive a certificate from Dr Katie Allen MP.
