

OPEN NIGHT FEEDBACK 2021

- Thank you for the wonderful insight into your school
- Last night was brilliant with the delivery, set up, etc and was the general consensus amongst other parents I spoken to. It was the best open night of all schools in the area.
- It was awesome! I loved how interactive it was. I wish we had more time in each spot but apart from that it was really good to hear and see all around the school.
- Great night, good school, very informative
- Excellent! Very Impressed
- Looks like a great school 😊 I really want to go here like really really want to
- Great night, good school and heaps of info
- I liked finding the stickers and seeing the class rooms
- Really great! Love Mordi!
- It was very informative. To improve maybe they could make smaller groups.
- It was exciting and fun to see all the learning spaces.
- Fantastic displays and guides. The French teacher was very persuasive – I want to go back to school just to join their France trip!! 😊
- It was very fun and interactive 😊. It was great.
- An EXCELLENT evening. Thank you. My daughter Zara really wants to attend here in 2022!
- It was a very informative and engaging experience. It has been by far the best Open Night I've ever been to! The reason I was kept engaged was because of all the things you can try.
- Very informative, my daughter really enjoyed this evening and can't wait to come next year
- Great tour – all students and staff were very warm and friendly. Loved the mini pizzas!
- Too little time in each section, groups too big couldn't hear the students. Teachers were fantastic in answering all questions.
- Great night! First visit and really enjoyed seeing the best of this College! Thanks!
- It's awesome 😊
- Well organised and found the staff and students very engaging.
- Very pleasant, enjoyable and informative evening.
- Excellent night! The interaction with students at each area was extremely impressive – friendly, confident and knew their school and subjects. Well organised with a good amount of time in each area. Special mention to Spencer in the sports hall who we chatted to for a long time and was so helpful.
- I really liked the chemistry and biology, great that there are animals!
- Good experience, earlier in the evening start would be better.
- It was really good, I like the food tech section
- Awesome tour, we liked this school! Could have spent much longer at all zones, but especially Science, Food Tech and the year 7 Program.
- Very informative and well run
- Excellent students taking us around. Interesting displays.
- Excellent night (especially student lead components) show casing the skills that are being taught.
- Great to walk around and see displays of work with staff and students available to provide info and answer questions. Thanks 😊
- Very organised, thank you!

- I loved it! Highlights were meeting the wellbeing staff, the many science experiments and my blue fingers after the finger print station! Thank you!
- The staff and the students were very friendly.
- A truly impressive school and Open Night. Well done in particular to the students acting as tour guides – amazing attitudes, insightful and thoughtful 10/10!
- Science was the best
- Great Open Night, staff informative and students helpful. Tour guides could maybe have a bit of a script to help them along the tour.
- Great tour. All the staff and students were very helpful. Well done.
- Really well organised and ran seamlessly. The teachers and students were all very knowledgeable. The lollies were a great touch to keep the kids interested! Very impressed.
- Very interactive sessions. Thanks for organising this. Kids and myself loved every zone and came to know all the activities which school does for the students. Really thinking outside the box.
- Well organised and coordinated. Comprehensive info session and very impressive.
- Great night! Very Informative. Friendly staff & students
- Good pizza!
- Really good!
- Great tour, thanks for having us, enjoyed the night.
- Very well organised, friendly staff, very available for questions, daughter enjoyed science experiments and games.
- It was a fantastic night. My son is looking forward to coming next year. Thank you!
- Great
- Very well organised. The school has a really nice vibe! Students leading the tour were polite and easy to chat to.
- It was cool
- I thought it was very organised and well done. Very good.
- An excellent, well-structured and informative night.
- A great evening, thank you!
- Great night!
- I liked the tour especially the discovery centre and the gallery area.
- Loved the tour. Brilliant. Tour guides – showed great direction, information and they were able to be heard very clearly. Best one so far! Thank you.
- Great effort from everybody. Just too many people which made following any demos impossible. Such is life!
- I really like this school and hope to come to it.
- Very well run tour.
- My son has a great time with all the activities set up around the school. Thank you.
- I loved the tour, food, and environment. The chairs are a little dusty though.
- We were super impressed with the entire night, great job students and staff.
- Amazing facility!
- Great tour – informative and honest. We look forward to seeing more!
- Well organised yet again! A fantastic reflection of the school and its capabilities. I am confident I made the right choice for my son and next year my daughter. Congrats.
- Great tour. Really good to see the students engaged. I will be back to see the school in action on the Friday Tour.

- Good explanations. I like how the students are leading each group.
- Really fun and I loved it!!!
- Very good, maybe just a little more time in the Arts/Woodwork etc area, as we couldn't see all of it.
- Excellent showcase.
- Great displays.
- Awesome night! Thanks for the effort and hard work of the kids and staff to showcase Mordialloc College.
- It is a really great college and I want to come here.
- Impressive facilities and leadership!
- Really valuable opportunity to see the school and ask both students and teachers questions.
- A really informative night and great insight into the school and what it offers. Our daughter is already in love with your college. Thank you.
- Open Night was great, thanks. Sports Program was one we were looking forward to but wasn't hugely on display. Not sure if the school is known for it? Drama and Music really stood out!
- Thanks for the tour it was really helpful.
- I love this school and I hope to enjoy learning!
- Fantastic! Great format, teachers all friendly and informative and very efficient schedule!
- I really liked the VISCOM and Maths subjects and the reputation and kindness of everyone.
- It was a great experience.
- The walking around was really good how they explained all the subjects. Thanks.
- I got to see lots of cool stuff and find out what high school people do all day.
- It's great to see how organised the school is. Love to see all the confidence from the students who made the speech. Thanks again for organising this information night.
- Great night. Very informative.
- Awesome tour and tour guides.
- It's really good. Myself and my son love the school and we hope to get into the school if possible. Thank you.
- Loved the food and technology.
- I came with my mum and we enjoyed every bit of tonight. I hope I can come here next year. You have amazing subjects (especially food tech)
- Great evening, informative and important for kids and parents to see the school and programs offered.
- Very well organised event. Nice presentation. We are impressed.
- It's very interesting night for us especially our son he loves the school so much and every room he visited. We love the teachers they are so nice and helpful.
- Very informative evening. Lots of subjects covered. Children excited about school. Our guides were knowledgeable. This place is very nice and I like all of the subjects covered 😊
- Loved the pizza!
- It was really interesting and enjoyable.
