GIRLS INTERSCHOOL FOOTBALL COMPETITION

Continued...

In the past our girl's teams had experienced some very strong opposition from Chaffey & Irymple schools and the girls were expecting the same this time around. The junior girls had a two game competition against Merbein & Irymple and the intermediate girls played a round robin competition against Merbein, Trinity, Irymple & Chaffey.

No one expected the final result, with both the juniors and intermediate teams finishing undefeated for the day. Along with some delighted girls there were two very proud coaches and one exhausted umpire at the end of the day.

Thank you to Mr Dion Collins and Miss Jackie Gorman for coaching and supervising and to all of the girls who represented SJC in a terrific manner.

Junior Girls MVP & Coaches Awards: Milan Forbes & Demi Zanoni.

Inter Girls MVP & Coaches Awards: Lauren Breguet & Emily Norton.
