**Tenterfield Tigers Junior Rugby League
Call for Expressions of Interest – President**

To our valued members, parents, volunteers and the wider Tenterfield community,

The Tenterfield Tigers Junior Rugby League Club has long been more than just a sporting organisation. It is a cornerstone of our community, a place where young people learn teamwork, resilience, discipline and respect. It is where lifelong friendships are formed, mentors step forward, and future leaders are shaped.

Our club has proudly supported generations of local youth, not only developing talented sporting stars, but more importantly, helping shape confident, capable and community-minded young adults. Many of our juniors have progressed into our senior club, and beyond that into workplaces, families and leadership roles throughout our town and region. The Tigers are deeply woven into the fabric of Tenterfield.

As we look toward the next chapter, we are seeking a passionate and committed individual to step into the role of **President of the Tenterfield Tigers Junior Rugby League Club**.

Our existing President had tentatively accepted the position to ensure continuity while we worked to furnish a suitable replacement. We are incredibly grateful for that commitment and leadership. Now, we are calling on our community to help secure the long-term strength and stability of our club by appointing a President who is equally invested in the future of rugby league and the youth of Tenterfield.

The Role

The President plays a vital role in the longevity and success of the club. The position includes:

- Working closely with **NSW Rugby League** to further develop the code in our local area
- Collaborating with group coordinators to support the success and integrity of the current competition
- Providing leadership and direction to the committee
- Upholding the values and proud history of the Tenterfield Tigers
- Supporting pathways that guide our junior players into senior football and into responsible, community-minded adulthood

This role has been undertaken by many successful and passionate leaders before us, individuals who have given their time and energy to ensure our club not only survives, but thrives. We now seek someone who shares that same dedication to the game, to our youth, and to the enduring legacy of the Tenterfield Tigers.

Importantly, the role does **not** need to be filled by a current parent. What matters most are the attributes of:

- Passion for rugby league
- A genuine commitment to youth development
- Leadership and integrity
- A desire to see our junior players grow into strong, respectful young adults
- Pride in our town and the role sport plays in strengthening our community

Experience in the role is not essential - passion is. The President will be supported by a dedicated, capable and highly active committee, along with an engaged parent and volunteer base who care deeply about the club's success.

Why This Matters

A strong President is vital to a successful club. Leadership at the top sets the tone for culture, standards and direction. The right person in this role ensures our club remains sustainable, inclusive and forward-thinking, creating not only good footballers, but good people who care about where they live, work and play.

The Tenterfield Tigers have a proud history. With the right leadership, we can ensure an even stronger future.

If you, or someone you know, feels called to serve our club and community in this important role, we encourage you to express your interest or reach out for a confidential conversation about what the position entails.

Together, let's secure the future of the Tenterfield Tigers for the next generation.

Yours in community and in sport,

The Committee

Tenterfield Tigers Junior Rugby League Club
