Basketball – Around the Grounds

6A

The 6As had a close win against Padua but with team work and perseverance the boys were able to come out on top. Up the boys!!

6B

The boys were challenged this week to slow down the ball and read the game more and make the right pass which would ultimately lead to better shots. The ball control in the first half wasn't up to our standard and therefore Padua stayed within reach. When the boys finally started to settle down and control the ball, they ran away towards the end of the game securing another good win for Marist. MVP this week is Tyson as he took control late in the game and made great decisions which intern made the boys very calm around the ball. Well done Tyson.

6C

The mighty 6C team did very well to stop a strong Padua team from dominating the 1st half. The score was very close at half time, but Padua had a few quick baskets in the end of the 2nd half to secure the game. Well done boys.

6D

Padua raced to an early lead in the first half which ultimately proved beyond the team's reach. Our goal for the remainder of the game was to minimise their scoring and this was achieved for most of the second half with some good defence until Padua hit back in the final couple of minutes.

Every boy in our team tried their absolute best and are to be congratulated on their sportsmanship and effort throughout the game against some very good opposition.

5A

Boys did well to push the ball up the floor as well as working for some high percentage shots. Did a great job at drawing fouls. All are excited for next week's game

5B

The boys came up against a strong Padua outfit and had their first loss of the season. Going down by a few points early, in true Marist style, they gave it everything, but unfortunately the buckets weren't sinking. Padua ran away with the win despite a courageous performance that would see a team win most games. I look forward to seeing them bounce back in style this weekend.

5C

A somewhat Jekyll and Hyde performance was displayed this week against Padua. At half time, Padua held a 4-0 lead, resulting from their strong pressure in defence and a lack of passing and teamwork from the Marist boys. The second half was a much greater display from the MCA 5C's, as they began to trust their teammates and got themselves back into the match at 4-4. Unfortunately for the boys, Padua took out the match 6-5 in what was a thrilling finish, but the second half proved to the boys that playing as a team, rather than individuals, is a recipe for success in basketball.

5D

A hard-fought match for the lads which went down to the wire. Ashgrove held an 8-0 lead at halftime but some Padua brilliance at the death ended our hopes of winning. All in all, a very impressive team performance from Marist with all boys contributing to the result.
