Adam Wallace

Adam Wallace is a children's writer and cartoonist living in Victoria. He is the author of the New York Times bestselling *How to Catch* series and the *Accidentally Awesome* series.

Adam visits are interactive and fun, the children will be creating stories and will learn how to create their own cartoon characters with the assistance of his *How to Draw* series.

On 16th of August, Adam will be visiting our school to talk to students about reading and writing. This is a fantastic opportunity to learn even more about the practices of professional authors and how they write the interesting and engaging stories we love. Students have the opportunity to pre-purchase books and have them signed on the day!

To order go to: www.lamontauthors.com.au and select "Buy our Author's Books".

All orders must be completed by 2nd of August to receive the books in time for Adam's visit.

Further orders will be taken from 16th August-23rd August following Adam's visit. These will be delivered following the event and will not be available to be signed by Adam.
