

CHESTER MACLEOD

DISCOVERY DIORAMA

About my diorama

I will use extinct animal figures and some sand, to give it a realistic feel.

The scene will be an old, rocky, plain. Perfect for a later fossil digsite

Skills and experience

Made one
before

Seen some
good ideas

Know how
i'll make
it

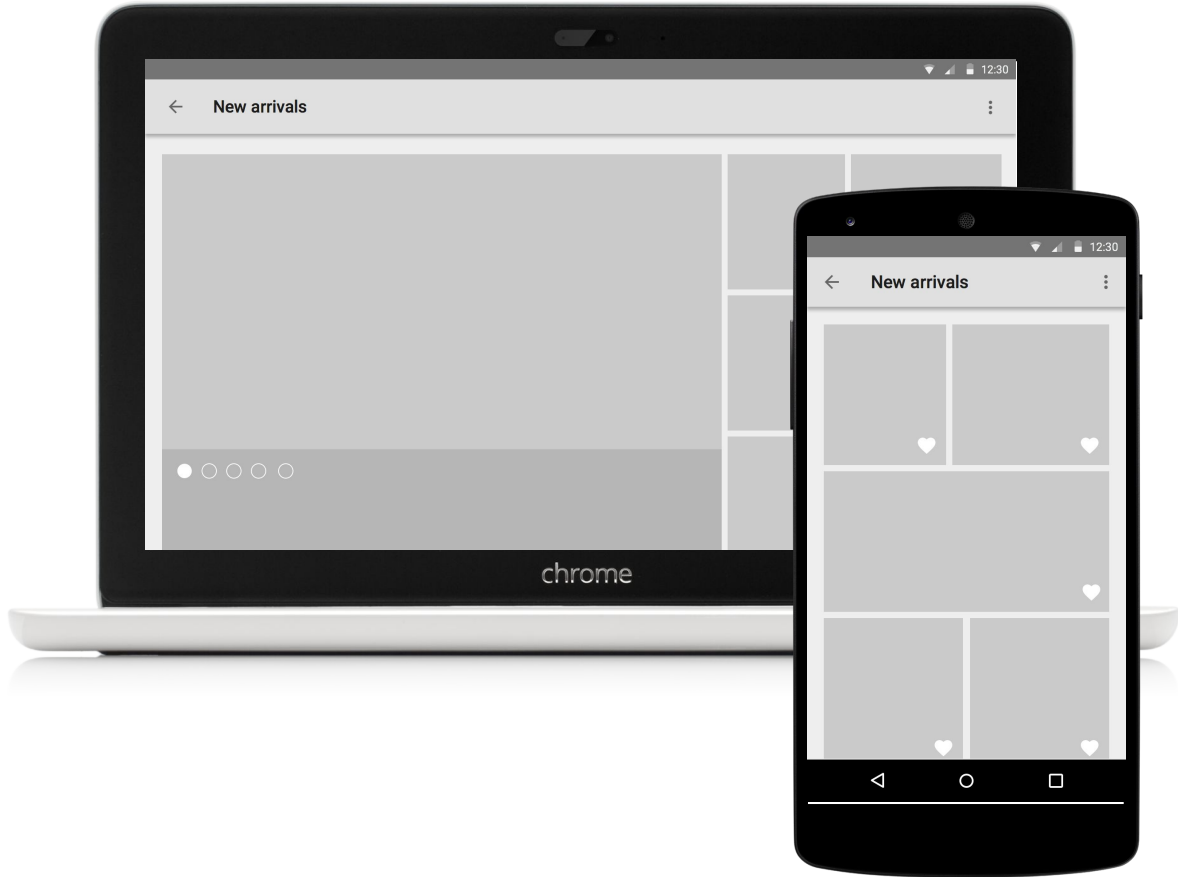

Done
another

Highlights

It will look really good, and
i'll have an information sheet
to go with it!

Extinct animal digsite diorama!

End of presentation.
