

# **MUSIC PROGRAM PLANNING 2021**

## **Thank you for your ongoing support.**

Dear Families,

I sincerely hope that this letter finds you and your families well. It's been a year like no other and, as a result, a little quieter than usual in the instrumental music program. However, the importance of music for the academic, social and emotional development of our young people has shone through.

I would like to congratulate all of the instrumental music program students for their adaptability and enthusiasm as we continued lessons and ensembles remotely. The upcoming virtual performances will highlight your talent and hard work.

Thank you for your dedication to, and support, of the Music Program. Key to this success are the strong relationships that are nurtured during lessons, ensemble rehearsals and performances.

### **Music Program Planning 2021 – Sign up now!**

Planning has begun for next year and we are seeking confirmation of your child's participation.

A quick reminder regarding Music Program commitments:

- Participation in weekly lessons
- Regular home practice
- Participation in weekly rehearsals of a core ensemble
- Participation in all performances of a core ensemble
- Students commit to participate for the whole year. Please refer to the Co-curricular Program Policy before signing.

### **Missed Work**

Music is a co-curricular program, therefore, it is an expectation of participation that all students ensure they remain up to date with class work. When attending instrumental/vocal lessons, students are expected to ask their classroom teacher what work will be covered when they are not in class and complete this work in their own time.

### **Guitar Lessons**

For the first time, NHS will be offering guitar lessons. Similar to all other instrumentalists and vocalists, guitar students will participate in a weekly core ensemble; guitar ensemble.

### **Next Steps**

We are really excited about the Music Program in 2021. To support our planning, it would be greatly appreciated if you could complete the attached forms and email them to Kirsten Kelly-Cleeve at [kirsten.kelly-cleeve@education.vic.gov.au](mailto:kirsten.kelly-cleeve@education.vic.gov.au).

Please note that advanced lessons can only occur if there is space in the timetable. We will however, endeavor to accommodate all requests in order of 'Enrolment Confirmation' forms being returned.

We are looking forward to another great year of music-creating, performing and having fun.

Please do not hesitate to contact me if you would like to discuss your child's involvement in the Music Program.

Yours sincerely,

Jackie Brogan  
Director of Performing Arts
