

ITALIAN WEEK 2020 COMPETITION!

White Gum Valley PS will be celebrating Italian Week in Week 4 of Term 4. The big event is a creative competition inspired by the art of Arcimboldo.

In class this week, I have shown examples of the artist's work to the students, and have explained the different ways in which they can present their interpretation.

The deadline for all entries is Friday 30th October.

The winners will be announced and prizes awarded at the assembly following Italian Week.

I look forward to displaying our students' unfailingly imaginative and exciting work to our school community. Happy Creating!

Signora Hawke
