### Term 4 Week 9

It is hard to believe we only have 1 more week of school left! This term has flown by extremely fast! Over the last couple of weeks, the children have enjoyed a range of activities. Last week the children enjoyed some Minecraft activities. The children enjoyed making creepers and swords out of cardboard, coloured paper and templates. This week the children have enjoyed making playdough, fruit loop bracelets and blue pancakes! They have also enjoyed some fun sessions with Kelly Sports, learning cricket and basketball skills. Next week we will be having a Christmas theme week. The children will participate in a range of Christmas crafts and activities. We will also be holding a mini Christmas party at after school care on the last day, parents are welcome to join us. We wish all families a Merry Christmas and a Happy New Year!
