

FOUNDATION

Literacy & Numeracy Update

Our new topic for Content Knowledge is The Five Senses! Students have started by exploring the sense of sight, labelling the parts of the eye and describing what they can see in their environment.

In Numeracy, students are collecting, sorting and displaying data with picture graphs. They have learnt about tally marks and use the data they have collected to answer questions.

Upcoming Focus

Students will be exploring capital letters and full stops. They will have opportunities to edit their own writing and describe the purpose of different punctuation.

Skill in Focus

The Sound Chart

Students use our school sound chart to explore the different ways that a sound can be represented. This helps them to decode and spell a range of words.
