Marist Finish Season in Style with Third Consecutive Shutout

Eager to finish their season on a high, Marist 6A capped off an impressive campaign with a commanding 33–0 victory over Padua College. It was the team's third straight match without conceding a point—an emphatic finish to a season defined by growth, resilience, and attacking flair.

The first half was a genuine battle for control, with Padua showing strong defensive structure, particularly through their outside backs who repeatedly shut down Marist's early attacking efforts. The game remained in the balance until Noah Newman broke through, converting his own try to give Marist a hard-earned 7–0 lead.

That breakthrough sparked a shift in momentum. As Marist settled into their rhythm and began to control possession, the scoreboard reflected their growing dominance. Mason Loli crossed for a well-deserved double, while Will Hutchinson and Will Smith each added tries of their own, showcasing the team's trademark running rugby.

By full time, Marist had stretched the margin to 33–0, rounding off a fantastic end to the season that saw them hold all opponents scoreless while racking up over 100 points. The performance was a true testament to the squad's discipline in defence and their creativity in attack.

This season has been a remarkable journey for the Marist 6A team. Week in and week out, they demonstrated commitment, cohesion, and pride in the jersey. The group has laid a strong foundation for the years ahead, and we wish these young Marist men every success as they continue their rugby journey.

6B

A wonderful way to conclude an undefeated season with a dominant display of Marist Rugby. Once again, the forwards and backs combined seamlessly to post another very good total, however, the defence of the 6B's right across the field proved to be impenetrable in holding our opposition to another nil scoreline.

Man of the match Remy Grammare made many barnstorming runs, scoring two good tries. Other contributors were James Midgley with two good tries along with Max Laughton and Angus Lippett scoring a try each.

This game capped off a wonderful season which saw the Marist 6Bs grow in stature and not only develop their skills but learn how to play as a team for the full game...each game showcased good development, and the boys are to be congratulated on their wonderful undefeated season...genuine deserved premiers...a great team to coach!

Thank you to Mr John Lamborne, Cam and to the parents for your support this season...again congratulations Marist 6B Rugby 2025 Premiers!

What a way to finish the season! The 5As put on a show in their final game, powering to a 56-7 win over Padua in a performance full of heart, determination, and teamwork. It was the kind of game where everything clicked – a fitting end to a season of growth and grit.

With several players out due to illness, we leaned on a few B's boys to step up, and they didn't disappoint. Every player did their part and played with pride in the jersey.

Leo Mylne was simply outstanding – you wouldn't have known he was carrying a sore ankle the way he dominated from start to finish. Jack Mannix provided slick service from halfback, and his combination with Lachlan Mitchell was one of real class. Watch out, Wallabies – a new duo is on the rise!

Player of the Match went to Leo for his incredible impact, but this was truly a team victory and a great way to close out the season.

Well done, boys!

5B Blue

An unfortunate start with an undefended try going straight through from off the kick off giving Padua an early lead.

The boys gave an absolute textbook return. Working their way up the field with great rucking and ball play. What could've been mistaken for professional rugby was simply a Grade 5 game. The effort in and around the rucks should be commended and consistent passing from the outside allowed the boys to run around Padua for their first try levelling the score to 7 all. Second half was more of the same, good rucking good ball play, working Padua back down the field every chance they got. A corner try set Marist up for the lead, and a conversion missing hitting the uprights allowed Padua a chance. And incredible second effort of the game was only so good.

Padua working hard in the corner on the last play and scoring. Levelling the score and missing the conversion Padua and Marist drew 12-12

An unfortunate result for the quality of rugby played but nonetheless not a loss. Good season boys well done.

5C

The 5C boys finished their season with a tough 37-14 loss to Padua at their Banyo home grounds. Despite the result, the team put in a massive effort, showing up with smiles and a determination to finish strong. After a challenging performance last week, it was heartening to see the boys come out firing against a hard-running and hard-hitting Padua outfit. Jack Abrams was outstanding, leading from the front with powerful runs and tireless work around the ruck.

This game capped off a season filled with growth and resilience. The development in the boys' rucking and defensive structures was remarkable, and I could not be prouder of how far they have come. Despite a tough draw and strong opposition throughout the season, the boys consistently turned up to training and games with positive attitudes and a willingness to give their best.

Thank you to every player for your commitment and effort this season. It has been a pleasure to coach you all, and I look forward to watching you continue to develop and thrive within the Marist Rugby program.
