Trinity Primary School

24th June 2026

Dear Trinity Families,

I hope everyone is excited to spend some holiday time with your children for the next two weeks!

We got an opportunity to implement few new ideas in the last two weeks. Children explored with different art materials and learnt to use paint sticks, chenille stems and to make bubble writing. We also played Image theatre game - Body sculptures where children are learning improvisational skills, building spatial awareness and social expression.

I am glad to see how children are connecting well with our new permanent educator Jenny. I am sure few of the children might have spoken about how much they love to draw, create with Jenny or even do her hair style! :D

About Maria's return - She has extended her holidays for few months, and we will keep you updated about her return as soon as we are informed. Meanwhile, I will continue to do my best I can.

Wish you all happy holidays! Thank you for your support as always.

Roshan Karkera
Coordinator

Check out the fun!

Outside School Hours Care Newsletter

Projects we are working on

Artwork with
Chenille stems,
paint sticks,
autumn leaves
and origami

Creativity,
Fine motor skills
Exploration and
Innovation
