

Dear families of Year 9

COURSE SELECTION FOR 2018

In 2018 we will introduce a renewed model of curriculum provision at Years 9 and 10, known as the Northcote Model, with more choices available for students. We look forward to offering your child an exciting range of courses for their middle school program.

To help your child prepare for this, during Term 3, students and families will participate in a variety of activities that comprise the Course Selection process for 2018. This process concludes towards the end of Term 4 with Course Confirmation, at which time you will receive a subject allocation, booklist and other information.

There are a number of very important actions that need to happen early in Term 3 to ensure that students, and their families, are confident in submitting their course preferences.

What do I need to do?

- Sign-up to attend the Information Night (**see link below**)
- Sign-up to attend the Expo (**see link below**)
- Discuss the selection process and your child's strengths, goals and preferences with them
- Engage with your child around their hard-copy form, sign the form and return it to the Tutor
