DISMISSAL					

Student Adjustments

Use visual prompts and sit at a designated position to ensure instructions are understood. Teacher checks in periodically for understanding and progress of work during learning time -

Break down instructions into smaller steps. Students to repeat instructions back to teacher -

Use visual timetable and give notice when normal program is different to what is expected -

Use noise cancelling headphones to keep focussed -

Record relevant questions on a small whiteboard during whole class discussions. Provide opportunity to ask relevant questions -

Provide opportunities for regular check in periodically to assess social and emotional needs -

Provide extra time to complete tasks-

Monitor to ensure students are on task -
