

WHAT'S BEEN HAPPENING

Hello Families 😊

Coming into the holiday season we have been working on more displays and activities for the children to participate in. During the pupil free day, children decorated and made gingerbread houses for a competition throughout TeamKids. Lookout for Christmas decorations coming up within the next couple of weeks.

Children have been displaying a new level of responsibility with our new monitor system that has been introduced, children are given jobs to do around the room and have taken their roles very seriously!

If you have any questions or just want to have a chat, please either contact us during service hours or come in and have a chat!

Important Reminder

HATS, HATS, HATS

Coming into the warmer end of the year, sun safety is important! If children can bring either their school hats or another hat (preferably broad brimmed) so they can keep enjoying outside safely. If children have no hat they will need to stay in the shade or inside.

In term 4, there will be celebrations highlighted throughout the program and special events within the community. The dates are provided in the section below, if you would love your child/ren to attend. Book Now!
