## Rugby League – Around the Grounds

### Year 6

Another tough result for the Year 6 boys. Although we were the better team in the first half, we could not execute in the opposition 20 and failed to cross the line. Unfortunately, our discipline was poor in both attack and defence, which Padua pounced, winning 4 tries to 0. Despite this, the boys are still improving and are starting to better understand the shape put in place. I'm confident that they will continue to improve each week and start putting in some solid results as the season goes on.

### Year 5

It was a tough opening half for our Year 5 boys with Padua going over for 3 unanswered tries. Much to the boys' credit they came out firing in the second half and applied constant pressure to Padua's defensive line, which was set up by their improved defensive efforts. Nathan Wright was immense with several tough carries through the middle and really applied the pressure in defence with his line speed and contact. The boys ended up winning the second half 4-0 which the boys should be proud of considering the talent and size of the Padua team.
