

Moonee Ponds West Primary School

Student Dress Code Policy

PURPOSE

The purpose of the Student Dress Code is to outline Moonee Ponds West Primary School's requirements for student dress and appearance and to provide information about uniform purchase and support, dress code implementation and exemption processes.

This dress code has been developed by the Moonee Ponds West Primary School's School Council in close consultation with our school community to ensure that it respects the rights of individual students whilst reflecting the values and interests of our community.

The Student Dress Code aims to:

- support the school's commitment to ensuring that our students are dressed safely, comfortably, and appropriately for school activities
- foster a sense of community and belonging
- identify the school and its students within the wider community

The School Council has developed a dress code that we believe provides a range of choices for students and is cost effective for families.

SCOPE

Students are expected to comply with this Student Dress Code during school hours.

UNIFORM AND APPEARANCE

Moonee Ponds West Primary School's stance is to move to a compulsory uniform. An implementation/transition timeline is available in Appendix B.

The full list of Moonee Ponds West Primary School's school uniform items is available at Appendix A to this policy.

It is expected that a logoed school uniform top will be worn to school and on identified offsite school events.

Uniform bottoms should be consistent with the navy-blue colour aspects of the uniform and are not required to be logoed. Shoes should be closed toe and fit for the day's activities.

General appearance

In line with the Scope of this policy, Moonee Ponds West Primary School students must comply with the following:

- longer style shorts and skirts
- Students will be required to wear hats which protect their face, neck, and ears from September to the end of April, when they are outside.

Expectation for Offsite Activities during school hours from Term 2 2023

From Term 2 2023, on days where students are required to be offsite, e.g., sports days or excursions there is a requirement that all students will wear a school uniform top.

School Camps

Dress code and required clothing items will be communicated to families for each camp based on the needs of the camp's activities and time of year attending.

Year 6 Tops

The school will offer the year 6 students the opportunity to design and purchase unique tops in recognition of their final year at Moonee Ponds West.

Jewellery and cosmetics

Students are not permitted to wear decorative jewellery to school. Stud earrings and sleepers worn in the ears, and watches, are the only acceptable jewellery. Smart watches are permitted but must have 'connectivity' functions turned off during school hours, as per the school's Mobile Phones policy.

Cosmetics may not be worn at school.

Hair and Sun safety

Any student with shoulder length or longer hair is recommended to be tied back to help restrict the spread of nits and lice and for student safety. Students may be asked to tie back their hair when required for certain activities.

Students are required to comply with the school's Sun Smart policy regarding clothing, hats, and eyewear.

IMPLEMENTATION

Moonee Ponds West Primary School will ensure that this Student Dress Code is communicated to all families and students through our website and Compass. We will assist students who may be experiencing difficulties complying with this policy where possible.

Students are expected to wear the uniform.

For instances where a student may be out of uniform, the school may offer to provide a uniform to the student (e.g., for an offsite activity).

If a student is out of school uniform on a recurring basis, the school will contact the family and continue to work to support the family.

Measures taken by Moonee Ponds West Primary School to address concerns about the Student Dress Code will also be addressed in accordance with our Student Wellbeing and Engagement Policy.

EXEMPTIONS TO STUDENT DRESS CODE

We recognise that there may be situations where the application of this dress code may affect students unequally.

Students and their parents or carers may apply in writing to the Principal for an exemption to this Student Dress Code.

For example:

- an aspect of this code prevents the student from complying with a requirement of their religious, ethnic, or cultural beliefs or background
- the student has a particular disability or health condition that requires a departure from the dress code
- the student or their parents/carers can demonstrate economic hardship that prevents them from complying with the dress code.

When the Principal receives a request for an exemption, they will:

- consider the grounds for the exemption request
- explain the process to the student and/or their parents/carers
- encourage the student and/or their parents/carers to support their application with evidence.

The Principal or delegate will then try to negotiate a resolution that is acceptable to all parties. If an exemption is not allowed, then written reasons will be provided to the student and/or their parents or carers.
