Please diarise these events organised by our Parent Liaisons. Parent Association Liaisons (PALs), alongside our Primary and Secondary Convenors, are the heart of our Parents' Association. They foster community spirit and organise these various activities. PALs consist of dedicated parent volunteers from each year group, led by a Primary Convenor (Kindy to Year 6) and a Secondary Convenor (Years 7-12). PALs coordinate social, pastoral, and volunteer activities for College parents. Their key objective is to strengthen and enrich our College's community spirit by creating opportunities for connections within and between parent year groups.
