Children with additional needs

In accordance with the application for enrolment procedure we may be able to provide additional educator support to include children with additional needs and children from culturally and linguistically diverse backgrounds.

Prior to booking, please discuss your specific circumstances with the service coordinator.

Traffic Light System

Here at YMCA we understand that we cater for and support many families of children with additional needs and or sensory processing needs. We acknowledge that many of these can vary from child to child, some are diagnosed and others are not, this may also include anxiety.

To help families in deciding what activities are suitable for each individual child and their needs we have created the Traffic Light System.

The Traffic Light System is exactly as it sounds, a variation of coloured dots indicating what level of sensory difficulties that may be encountered in each programmed activity.

RED: indicating that throughout the activity a large amount of sensory difficulties may be encountered. Parents may decide at their own discretion upon consultation with the coordinator, if their child will be able to participate comfortably. Children attending on these days will require an Inclusion Support Plan.

AMBER: Indicating that there is a medium level of sensory difficulties that may be encountered, parents may decide at their own discretion upon consultation with the coordinator, if their child will be able to participate comfortably. Children attending on these days will require an Inclusion Support Plan.

GREEN: Indicating that this activity will be a wonderful opportunity for your child to participate comfortably.

At the Y, we are committed to empowering all Children and Young People to feel safe and be safe, at the Y, in their families and in their communities. As such, we ensure that all of our candidates are appropriately screened (including police checks) to make sure that the right people are in the right roles.

To learn more about our screening processes, click here to view our Safeguarding Children and Young People Policy: <https://ymca.org.au/about-us/safeguarding-children-young-people/safeguardingresources/>
